Students Feedback (for Curriculum Enrichment) – Analysis Report

Total no of feedbacks: 101

Q. No.	Question	Suggestion
1	Are the prerequisite courses mentioned in the syllabus appropriate? (Yes/No) If not, could you suggest the appropriate prerequisite courses?	In view of all students the all prerequisite courses are appropriate.
2	Are the course outcomes mentioned in syllabus relevant? (Yes/No) If not, could you suggest the course outcomes?	All students opinion is that the course outcomes are relevant in the syllabus for all courses
3	Which topics of syllabus in your opinion are irrelevant and unnecessary for the course?	None of the topics are irrelevant in the syllabus according to student's opinion.
4	Which topics of syllabus in your opinion may be added for enrichment of the course?	Some of the students have suggested adding Advanced Java and operating Systems in the curriculum.
5	Do you think the time allotted for the course conduction was adequate to cover the entire syllabus? (Yes/No)	Most of the student's opinion is that the time duration is sufficient.
6	Are the books mentioned in the syllabus adequate for the course? (Yes/No)	Yes
7	Do you recommend new courses to be introduced in view of Autonomy? If yes, name the courses.	Some students have suggested to add Operating Systems, Big Data Analytics, R Programming in the syllabus
8	Could you identify topics that may be included in view of Autonomy, in any of courses that you have learnt? If yes, name the topics and the courses.	Few students have suggested to add Advanced Java , C#

Action Plan Based on feedback from students:-

1) Planned to conduct a workshop on Advanced Java.
2) Planned to organise a Certification course on Linux Operating System.
