			Online Webinar on "Applications of Artificial Intelligence" was conducted on 9 <sup>th</sup> October 2020 by Department of Computer Engineering, K. K. Wagh Institute of Engineering Education and Research, Nashik. The session was conducted from 03:30 pm to 5:00 pm. The objective of this online webinar was to have a basic understanding of some of the more advanced topics of AI such as learning, natural language processing. Prof. Dr. S. S. Sane, Head, Department of Computer Engineering addressed the participants during inaugural session and briefed about the Artificial Intelligence. The session was conducted by Mr. Prathamesh Karmalkar, Data scientist, Text analytics at Merck Life Science, India. He covered the topics like building a semantic search engine, exploring elastic search as alternative to Faiss, improving search with supervised learning, elastic search vs faiss comparison. He also informed about the importance of AI degree.
