03	05/09/22	Program	<p>1. Student Branch Name: - K. K. Wagh Institute of Engineering Education & Research , Nashik</p> <p>2. Region:-VI</p> <p>3. Event Date :- 05/09/22</p> <p>4. Event Title:- Teacher’s Day Program</p> <p>5. Event type:- Celebration</p> <p>6. Attendees: Faculty Members and students</p> <p>Teachers’ Day celebration ceremony organised by KKWIEER CSI Students’ Chapter on 5th September,2022. The main moto of the ceremony was for students to express gratitude towards their beloved professors. Various achievements of the professors throughout the year were acknowledged and they were honoured for the same. The meritorious students who came out with flying colours were also highlighted during the ceremony. Various performances including speeches, dances, music and games were performed for as a token of respect towards the beloved faculties.</p> <p>One day is not enough to express the emotions of students towards the faculties and teaching staff. Organizing such events provide a platform to young budding minds to do so. The faculty achievement highlighted the PhD completions of a lot of faculty members, winners of teacher’s hackathon 2021, successful guides for different projects, mentors of various hackathons, faculty heads for various clubs and committees and many more.</p> <p>During the event KKWIEER CSI Students’ Core Committee was announced. All the selected students were informed their respective designations. The vice principal of our honourable institute Prof. Dr. S.S. Sane sir graced the ceremony with his valuable words. The event was concluded with a vote of thanks for all the dignitaries on and off the dice and the organizing committee.</p> <div data-bbox="656 1199 1354 1898" data-label="Image"> </div> <p align="center">Teachers Day (KKWIEER CSI Activity - 5/9/22)</p>

05	15/10/22	Webinar	<p>1. Student Branch Name: - K. K. Wagh Institute of Engineering Education & Research , Nashik 2. Region:-VI 3. Event Date :- 15/10/22 4. Event Title:- Innovating at the speed of life 5. Event type:- Technical Webinar 6. Trainers at the Event:- Dr. Kuruvilla Mathew, Alumni, KKWIEER</p> <p>On the occasion of National Innovation Day, an Expert talk on “Innovating at the speed of life” was conducted on 15 th Oct., 2022. It was conducted jointly by members of CSI student branch, KKWIEER , IIC committee. The session started with Welcome of our honorable Guests, the Principal and the Vice Principal followed by introduction of National Innovation Day by Ms.Prajakta Patil. After that introduction about CSI and IIC was given by Ms. Sakshi Pawar. Then, Ms. Sayali Kulkarni introduced our participants with our Guest Speaker Dr. Kuruvilla Mathew and a few words were spoken by our Principal, Dr. K.N. Nandurkar. The session was then delivered by Mr. Kuruvilla Mathew, Chief Innovation Architect, UST and General Manager, Modernization.(Alumni of K. K. Wagh Institute of Engineering Education and Research, Nashik). Mr. Mathew guided our participants on various topics like How is innovating different from inventing, Solving the right problem, etc. It was then followed by a Q - A session in which all of the participant’s queries were answered. The session was coordinated by Dr. Yogita Bhise and Dr. R. K. Munje. The session concluded with the words of Dr. S S Sane and Vote of Thanks by Mr. Jayesh Gavali.</p>

2. **Region:-VI**

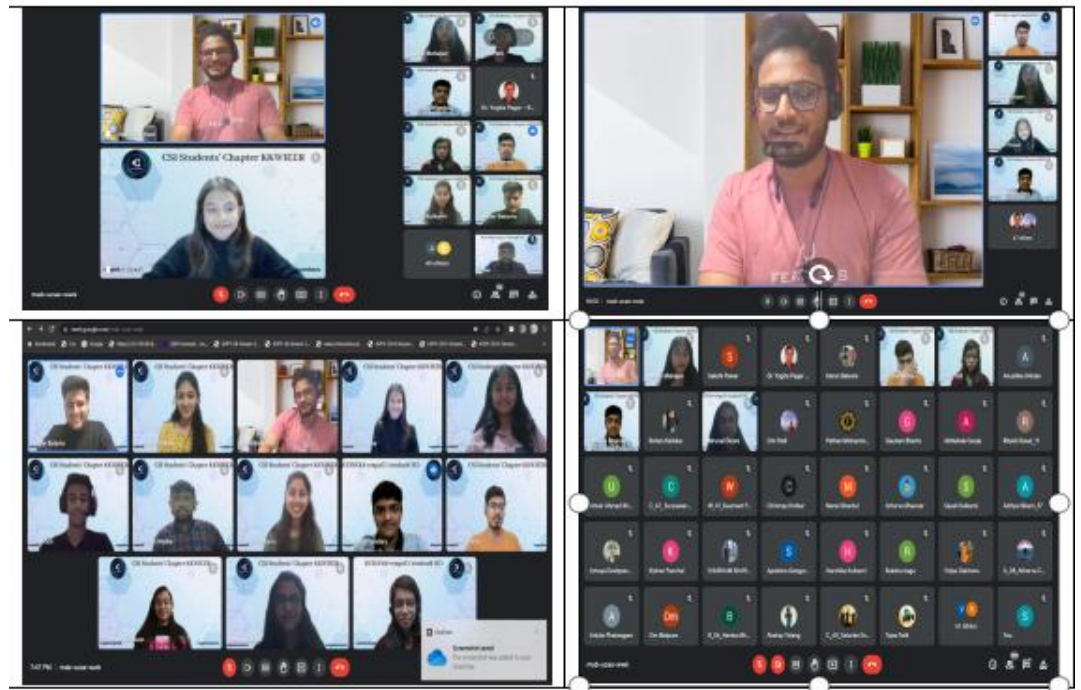

3. **Event Date :- 24/11/22**

4. **Event Title:- “The Internship and Placement Talk 101”**

5. **Event type:- Technical Webinar**

6. **Trainers at the Event:- Mr. Abhishek Patil, Alumni, KKWIEER**

A online session on “The Internship and Placement Talk 101” was organized by CSI student branch of KKWIEER on November 24, 2022, in KKWIEER as a part of the CSI Students Chapter through online Gmeet. Mr. Abhishek, a KKWIEER alumnus currently employed with NVIDIA, gave the talk. The session’s goal was to inform the students of the actual interviewing procedure. The primary goal was to mentor students in the areas of communication and presentation skills, internship guidance, and coding skills. The session clarified the fundamentals of interview and coding rounds and showed students how to develop in a more successful way. For SE and TE, the session was intended. Giving the participants a rundown of the how, what, when, and why of interview rounds. He taught pupils about aptitude tests, how to begin preparing for them, and even how to handle HR interviews and rounds. What should be listed on a resume and how? Also, the best techniques to develop communication abilities. The session was interactive. Many students asked their doubts regarding internships. Around 100 participants were present for the session. The session was coordinated by Sakshi Pawar, Mansi Mahajan, and Anushka Unhale and CSI student committee members.

09	14/12/2022	Mentoring + Competition	<p>1. Student Branch Name: - K. K. Wagh Institute of Engineering Education & Research , Nashik</p> <p>2. Region:-VI</p> <p>3.Event Date :- 14 /12 /22</p> <p>4.Event Title:- “From campus to corporate”</p> <p>5.Event type:- Mentoring + Competition</p> <p>6.Judges For GD: Dr. Dhawale, Prof. Mene, Prof. Baji, Dr. Chandak For PI: Hargun, Shivam Gaikwad, Vaishnvi</p> <p>The event “From Campus to Corporate” was organised by KKWIEER CSI student’ chapter on 14/12/2022 with a motto to make students placement ready by testing their technical and communication skills through various intriguing rounds such as Aptitude Round, Group Discussion, Technical Round and Personal Interview.</p> <p>The event was a huge success with over 140 participants. As the name suggests aptitude round was conducted to test the analytical and logical reasoning skills of students. It was conducted as Computer Based Test (CBT) in online manner by using “Myexamo” platform provided by TPO cell of our college.</p> <p>Next was the Group Discussion round which tested the communication skills of students. Not only that, but students were rigorously judged based on their confidence and personality development. Every group had 7 members and they were given 7 minutes 2022-2023 Session 2 for the group discussion. The topics were given on the spot. Then was the Technical round which was held online on Hacker rank, where every student had to solve three challenges, the round was successful as a very real-time platform was used to test the students.</p> <p>Finally the top 15 shortlisted students got the opportunity to witness Personal Interviews by Industry Experts which further included technical and HR round and top 4 candidates were chosen as winners.</p> <p>The rounds were followed by Valedictory Ceremony of “From Campus to Corporate”. The ceremony started by lightning of lamp, followed by prize distribution of winners and was concluded by Prof. Dr. S. S. Sane where he elaborated on the importance of taking part in such events and also being active and aware about the various technical events happening around and motivated students by saying participating in any event the most important step over winning. The event was coordinated by Dr. Y.D. Bhise, CSI Faculty Coordinator.</p>
