

Analysis of the Feedback Form:

Questionnaire:

- 1) Industry Interaction is rated as almost Average.
- 2) Almost all Alumni are satisfied with Teaching and learning facility.
- 3) Alumni have given very good rating to Library and laboratory facilities and average ratings to canteen, sport and transport facilities.

Industry technology which should be included in syllabus:

- 1) Software training should be made compulsory at every level.
- 2) Most of the subjects must be taught on field itself.
- 3) More field exposure is must.

Interesting Suggestions:

- 1) **Number of industrial visits must be increased.**
- 2) **Micro project should be given from SE level, that to for every subject.**
- 3) **Internship Programmes and Industry Exposure is must.**

Contribution to the department:

- 1) Most of the alumni agreed to conduct Guest Lectures and Workshop.
- 2) Some of the Alumni have shown the interest in Lab Improvement too.
