Please Indicate your rating about our student

Sr. No.	Major Suggestions Received	Action Taken
1	Field exposure	Field visit are arranged to the various construction sites .
2	Site Experience	Compulsory Internship program is introduce at T.E. Civil ( No. of Students = 178)
3	Practical knowledge, concepts of construction, formulas and application of formulas , basically one must work in full force and full swing to get involved in the work. Most students work only as job	Pannel Discussion was arranged to aware the students about the expectations of the industry from the civil Engineering graduates
4	Drawing Fundamentals	During the practical's of design related subjects such as building technology R.C.C. and Steel Structures instructions are given.
