Alumni Feedback -Brief Analysis Report
Academic Year: 2022-2023

No. Of Feedback Collected : 90

Responses to the Questionnaire:

Which courses learnt during graduation at KKWIEER, have been extremely useful and relevant for your professional growth?

Which technology/course do you think should be introduced in the undergraduate programme to enrich the present curriculum?

1. SAP
2. Angular JS
3. Excel
4. Robotics
5. Full Stack Development
6. DevOPs
7. Game Design
8. Finance and Economics
9. C#

Which course/components of syllabus in your opinion are irrelevant and unnecessary for an Engineer of your stream? Why?

Some of the students have mentioned that subjects like Microprocessor, Computer Organization Chemistry, Electrical and Electronics are irrelevant.

In what way would you like to contribute to the department?

Some of the alumni have mentioned that they would like to guide the juniors by conducting seminars/expert talk.

The following are the details of the alumni who like to contribute to the department.

Name of the Alumnus	Email	Contact No.	Current Position	Organization	In what way would you like to contribute to the department?
Radhika Patil	radhikapatil263@gmail.com	+1 (980)-315-7025	Student (studying Management information systems)	Texas A & M University (Mays Business School)	guiding how to apply for MS and get a good university about job and management life.
Dhanashri Gorak Shirsath	dhanashrishirsath2000@gmail.com	8308826562	Intern	NCDEX e markets Ltd.	I would like to guide students regarding skills required in companies / industry
Lakshaya Varma	lakshayavarma38@gmail.com	9552985271	CEO	RK Enterprises	Will be able to hold talks
Manas Joshi	joshimanassunil@gmail.com	8446429184	Associate	Perennial Systems	I can conduct online seminars.
Ms. Kiran R. Borade	kiranborade5@gmail.com	8149024620	Lecturer	Guru Gobind Singh Polytechnic	Expert lecture
Anuja Apte	anujaapte814@gmail.com	+49 1522674 3176	Software Engineer	invenio Systems Engineering	By sharing my experience/Knowledge with juniors
Sairaj Deepak Dixit	sairaj.d.dixit@gmail.com	9021057389	Software Developer	Deloitte	Placement helps
Abhishek Ravindra Satbhai	abhishek07satbhai@gmail.com		Software Developer Engineer	Amazon.com	Would like to be Available for students who are curious to learn about new tech
Lakshaya Varma	lakshayavarma38@gmail.com	+1(607)759-1620 & +919552985271	Student	Binghamton University	I can help the students in guiding them to the correct path for their higher education abroad
Ankita Jethva	ajethva858@gmail.com	9552711858	Software Engineer	Capgemini	Assisting students for higher studies

Nikhil Mahesh Khairnar	nmkhairnar@gmail.com	7447868 027			I would like to give new suggestions to the curriculum as I come to know of upcoming new technologies.
Latesh Kapse	Lateshkapse131@gmail.com	7744002 800	SW QA TEST Developer	NVIDIA	Wherever department needs me I would be there to help

Some of the suggestion for the department/institute

- Focus more on students practical knowledge, Introduce Angular, JS, TS, Dotnet
- One compulsory Industrial visit to an IT company every year for all students by the college (especially for CS and IT students).The psychological impact on visiting your future workplace is immense. The principle of attraction plays a huge role.
- Promoting internships for 2nd and 3rd year students also.The more industrial exposure of students guarantees the higher urge to acquire new skills for increasing self productivity.
