Department of Electrical Engineering

**Action taken on Alumni Feedback for the AY 2018-19**

	<b>Suggestions from Alumni</b>	<b>Action taken</b>
1	PSCAD and ETAP software should be available in the department	Department purchased these software.
2	Teaching learning process should be based on Practical, Result oriented.	1. Experiments as per curriculum are conducted. 2. Additional experiments beyond curriculum is also conducted. 3. CAR is regularly updated for every practical as per Institute Policy
3	Extra activities for self employment and competitive exam should be conducted	1. Guidance for competitive exams is given in mentor meetings and study circle activities. 2. Session for competitive exams are conducted by the experts. 3. Session for Entrepreneurship development are also conducted.
4	Encourage students for presentation on various topics included in curriculum.	One unit in the curriculum is explained by the students to other students by preparing presentation in the class. Subject teacher guides to the student whenever required.
5	From first year small projects should be implemented	PBL is implemented from FE for all students
