Academic Year 2019-20
Employer Feedback on Curriculum Enrichment – Analysis Report

No. of Feedbacks Collected: 03

Sr. No.	Questions	Suggestions
1	Which courses learnt during graduation / post graduation at KKWIEER, have been extremely useful and relevant for projects in your company	1. PHP 2. Web Technology 3. Database
2	Which technology/course/case study do you think should be introduced in the undergraduate /post graduate programme to enrich the present curriculum?	1. Python 2. Machine Learning 3. Python and Artificial Intelligence
3	In which areas do you think that we should train our students?	1. Coding, Management skill, leadership 2. ML 3. Practical

Action Plan based on feedback collected:

With reference to above feedback, department has planned following activities in academic year 2020-21

1. Subjects which are trending in computer science like Block Chain, Data Science, IOT, Cloud computing, Business Analytics etc. are planned to include in MCA Autonomy syllabus structure.
2. Subjects which are already studied at under graduate level are omitted from Autonomy syllabus.
