# Advisor's Word

Very well said by Ken Robinson:

"Creativity is putting your imagination to work, and it's produced the most extraordinary results in human culture".

The Whitespot club is formed in March, 2018 at K. K. Wagh institute of engineering education and research, Nashik with an idea of making creative minds and come together to present their creations to the society we live in. This, perhaps the only, club running in the region of Nashik among engineering organizations that motivates students to nurture their interest in film making and photography. The club is run by students and for students of the organisation. It is indeed a pleasure to share the annual report of the creations released so far and activities organised for students to learn and develop interest in video making as well as photography.

I am happy to invite interested students and be a part of the club to further grow with. Best wishes to the Whitespot club for their upcoming planned activities ahead.

Regards,  
Prof. Dr. S. S. Sane.

---

# About

## **A LITTLE BIT ABOUT OUR HUMBLE CLUB**

The Whitespot is a platform where students with different creative talents, will get chance to explore it on screen in form of short films, documentaries."Its important to have a sound idea, but the really important thing is the implementation.", and for implementation one needs a platform, to bridge the gap between ideas and platform we are here with Whitespot. We are inviting some of the most exciting artists (students) in this field of(writer, cinematographer, director, editors etc.) to create something exceptional.

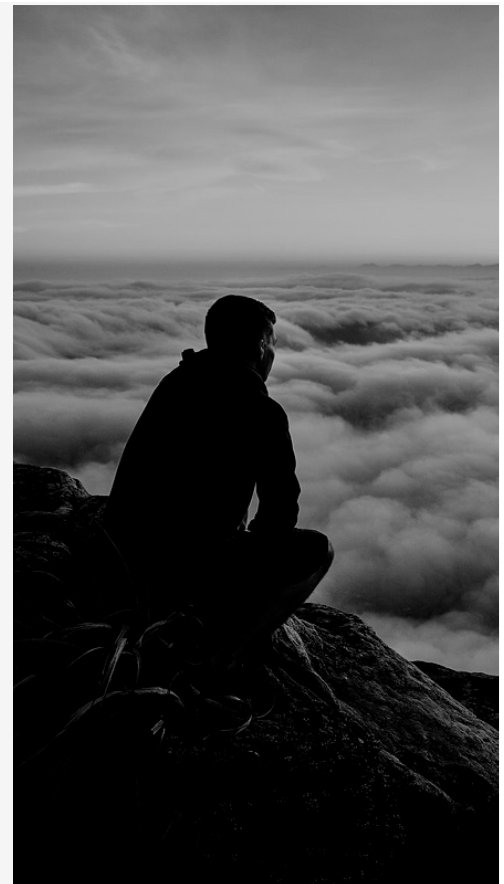

---

# Our Work

1. Participated in government organized competition under consumer affairs ministry and launched our first short film, “Say No To Plastic”.
2. Made an advertisement for blood donation camp under Prayas Youth Forum, Nashik.
3. Made a short film named, “The Gift”.
4. Took a seminar “Behind the scenes” under guidance of Mr. Vinay Bhosle, for students.
5. Took a script writing competition named “Fine Draft”.

## Our Goals and Objectives

- To create open platform for those who want to screen their idea.
- To present Whitespot’s creations on national and international platforms.
- To make Whitespot economically independent firm for enthusiasts.

**This section includes the activities conducted in academic year 2018-19.**

<b>MONTH</b>	<b>ACTIVITY</b>
<b>JUNE</b>	Monthly meeting conducted
<b>JULY</b>	Promotion and release of the short film "The Gift"
<b>AUGUST</b>	Expert talk on "Behind the Scenes"
<b>SEPTEMBER</b>	Announcement of working on documentaries on Prayas and Swapnpurti.
<b>OCTOBER</b>	Footage coverage of both documenataries
<b>NOVEMBER</b>	Participation in Ankur Film Festival
<b>DECEMBER</b>	Monthly meeting
<b>JANUARY</b>	Script writing competition "Fine Draft" was conduted
<b>FEBRUARY</b>	Video was published on highlights of shivjayanti
<b>MARCH</b>	Shotcut event was organized

---

# Behind the Scenes

The expert guest lecture "Behind the Scenes" was organized by Whitespot studio. The main aim of this guest lecture was to give the proper idea about various fields of screening ideas from paper to screen. Professor Mr. Birla felicitated the guest Mr. Vinay Bhosale. He emphasized on how to write script, which flow to be followed and also about cinematography. Students from different departments were present for the lecture and they got to know about concepts of foley and importance of colours in editing. Team activity was also organised in which students were given different objects and were asked to make an advertisement video of one minutes and 20 minutes were given for preparation. Students actively participated in this activity. Guest judged all the videos and based on those videos, he guided them as well. After end of the session, students were having much clear idea about how to screen their ideas !!

DATE : 25TH AUGUST 2018  
EVENT : GUEST LECTURE  
SUBJECT : BEHIND THE  
SCENES GUEST : VINAY  
BHOSALE NO OF STUDENTS  
PRESENT : 40  
CO-ORDINATOR : PRANAV SHAH  
TIME OF EVENT : 1:30 TO 5:00

# Finedraft

The seeds of the film industry were sown in India, in early 20th century and now it is flourishing day by day. For such progress youth of India pays a lot of devotion in film making. Thus to bring up such talents Whitespot Studios in association with ' K. K. Wagh Institute of engineering education and research, Nashik ', organized ' Finedraft: script writing competition '. This competition was held all over Nashik and received a great response. Also, one of the participants Ms. Uma Khardikar won the 1st prize by scripting on topic #metoo.

White Spot Studios provide a great platform to students for expressing their ideas, it is an open forum where we can express innovative ideas and bring them to reality. The prime objective of White Spot Studios is to offer a chance to excel for students. Students could make use of content writing, editing, direction, cinematography and other such skills in their learning age to benefit themselves.

In organizing this event and further success of Finedraft, our principal Prof. K. N. Nandurkar sir, staff co-ordinator Asst. Prof. Kushal Birla sir, Whitespot committee members Vrushali Gil and Saurav Malve gave an important contribution.

Heading to a better future, Whitespot Studios are working in Nashik city but are also trying to reach national and international platforms and are ready for a breakthrough.

Congratulations !!  
Ms. Uma Khardikar

# Shotcut

For a film it is necessary to have story, script, acting, direction and resources. To expose the knowledge of this field, Whitespot club in association with K. K. Wagh Institute of Engineering Education and Research, Nashik; organized a short film making competition 'SHOTCUT' on 22 March 2019, for all students, who are interested in film making. 'Shotcut' received great response. Total 11 groups of 4 participants each, took part in this competition. Cash prizes of total 3000/- (INR) were awarded to the winners. This competition was judged by hono-rable Mr. Vivek Deodikar sir and Ms. Chetna Gupta Mam from Sky High film academy, Nasik. The parti-cipants were benefited by their guidance and exact judgments, which will be helpful for film maker budding inside them. This event is success-fully completed with supports from our principal Dr. K. N. Nandukar sir, head of computer department Dr. S. S. Sane sir, staff coordinator Prof. Kushal Birla sir, the Whole organizing team of Whitespot club. Also we are thankful to Equinox, a symposium under computer department.

# Afterword

When I was in second year of graduation i was alot curious about filming and the way it is done. Later years I started practicing things associated with it, with the only aim that I have to complete atleast 1 short film in my 4 year graduation. In flow, I got many supports directly and indirectly and we have completed 3 short films. That inertia raised this open platform. And here we are completing our first year of Whitespot club, may this counting never stops !!

- Shardul Narde

When I and shardul worked on say no to plastic, we found that there are many students, who want to work in this field, but there was not any platform. This gave us motivation for the foundation of Whitespot club. We have learnt a lot and developed ourselves while developing Whitespot club.

- Vrushali Gil

"Every talent and creativity needs a platform".

I have a great pleasure in introducing you to our Whitespot. The club reflects our vision to bridge gap between ideas and platform. Whitespot holds the pride of bringing talented and creative people together for sharpening their skills and showing their ability to the audience. We as a dedicated team always work for Whitespot club to create more and more opportunities.

I invite you to be part of our team.

- Aabidhussain Aghariya
