			5. Event type:- Expert Talk
			6. Speakers at the Event: - Mr. Tanmay Dixit
			An expert talk on the topic "Introductory Session on Cyber Security" was conducted on 14 th July 2018 at Department of Computer engineering in association with Student Branch of CSI, K. K. Wagh Institute of Engineering and Education Research, Nashik. The motive of the event was to introduce student regarding Cyber Security. The session was conducted by Mr. Tanmay Dikshit, Center for Personality Assessment and Graphology, Nashik. He covered following points: Cyber Security Basics Introduction to Cryptography Security requirements Intrusion and Firewall Security perspective of Hacking and its counter majors The session was coordinated by Prof. G. R. Gupta, Prof. S. K. Chumble and Prof. M. N. Shinde, Computer Engg. Dept., under the guidance of HOD Prof. Dr. S. S. Sane, RVP Reg VI(Maharashtra and Goa).

			4. Event Title:- Use of Modern Technologies for Smart Cities
			5. Event type:- Seminar
			6. Speakers at the Event: - Mr. Girish Pagare Director, Kumbhathon Innovation Foundation Nashik
			A Seminar on the topic "Use of Modern Technologies for Smart Cities" was conducted by Department of Computer engineering in association with Student Branch of CSI, K. K. Wagh Institute of Engineering and Education Research, Nashik on 20th July, 2018. The aim of the event was to introduce students with problems of urban areas, planning and designing to develop urban areas and employ modern technologies to build smart cities. The session was conducted by Mr. Girish Pagare Director, Kumbhathon Innovation Foundation Nashik. He covered following points: Challenge of Urbanization, Objectives of Smart city, Smart city: Core elements, Smart Solutions, States & smart cities etc. Students learned about ways for development of urbanization and how to use modern technologies to build up smart cities. The session was coordinated by Prof. N. M. Pagare, Computer Engg. Dept., under the guidance of Head of Department Prof. Dr. S. S. Sane, RVP Reg VI(Maha. and Goa).

04	13/09/18 to 14/09/18	Mock Placement - Aptitude Test	1. Student Branch Name : - K. K. Wagh Institute of Engineering Education & Research, Nashik
			2. Region :-VI
			3. Event Date :- 13/09/2018 to 14/09/2018
			4. Event Title:- Mock Placement-Aptitude Test
			5. Event type:- Educational
			6. Description: Students of KKWIEER CSI Student's Chapter had conducted General Aptitude Test on 13 th and 14 th for second year MCA, second and third year Computer and IT students. The main motive of this general aptitude test was to make students aware of the aptitude tests that are taken during the job interview. Nearly 178 students took an active part in this event. The test was taken through Online Software MyExamo and results were immediately declared with solution set. Top three students were awarded with prizes and participation certificates were given to

of the aptitude tests that are taken during the job interview. Nearly 178 students took an active part in this event. The test was taken through Online Software MyExamo and results were immediately declared with solution set. Top three students were awarded with prizes and participation certificates were given to participants. Top 35 students were further selected for next round i.e. Personal Interview. Students were really enthusiastic and curious to apply for this event and the TE CSI Volunteers and SBC efficiently executed the event under the guidance of Prof. Dr. S. S. Sane, HOD & RVP Reg VI (Maharashtra and Goa).

			3. Event Date :- 20/09/2018
			4. Event Title:- Mock Placement - Personal Interview
			5. Event type:- Educational
			6. Description:
			Students of KKWIEER CSI student branch conducted a 'Personal Interview' for the students of MCA, IT and Computer department. The main motive behind Personal Interview was that the students should get an idea of how interviews are conducted during their campus placements and give them practice before facing actual interviews. Top 34 Students from the Aptitude round were selected. The Interviews were conducted in two parts, Non-technical interview and Technical interview. The Non-technical interview reviewed the students' extracurricular activities and was conducted by Human Resource Expert, Mrs. Dhanlaxmi Patwardhan, The Technical interview was conducted by Prof. Dr. Snehal Kamlapur and Mr. Kushal Birla and it reviewed the technical proficiency of students. 3 winners were selected based on the both evaluations. This was a very helpful event; students participated enthusiastically and gave their best. Activity was coordinated by Mr. A. V. Kolapkar under guidance of Prof. Dr. S. S. Sane, Head and RVP Reg VI, CSI (Maharashtra & Goa).

			An seminar on the topic Business Written Communication was conducted on 23 rd
			February, 2019, 12:30 pm to 2:30 pm at department of Computer engineering, K. K.
			Wagh Institute of Engineering and Education Research, Nashik. The aim of the event
			was to help students to compose professional email and provide guidance for career
			planning
			The session was conducted by Mr. Shrikant Karode. He covered following points:
			✓ What is Business Communication?
			✓ What Does Business Communication Involve?
			✓ Why Written Communication?
			✓ STAR Format of Written Communication
			✓ "Subject" of the Mail
			✓ Salutations
			✓ 7 C's of Effective communication
			Students learned about ways of writing professional emails and improve
			communications skills. The session was coordinated by Prof. M. P. Mahajan and Prof.
			N. M. Pagare, Computer Engg. Dept., under the guidance of Head of Department Prof.
			Dr. S. S. Sane.

	23/03/19	Technical
		Symposium

- **1. Student Branch Name**: K. K. Wagh Institute of Engineering Education & Research , Nashik
- 2. Region:-VI
- **3. Event Date :-** 22/03/2019 to 23/03/2019
- **4. Event Title:-** Equinox 2k19- a National level Technical Symposium
- 5. Event type:- National level Technical Symposium
- 6. Speakers at the Event: Mr. Shashank Todwal (UMS Tech) and Mr. Sandeep Shinde TCS DISQ

The Department of Computer Engineering in association with student branch of CSI, KKWIEER successfully organized the Equinox 2K19 - a National level Technical Symposium. The event was conducted on 22nd and 23rd March 2019.

The event was inaugurated on 22nd March in presence of Mr. Shashank Todwal (UMS Tech) and Mr. Sandeep Shinde TCS DISQ as the Guest of Honour and Chief Guest, Prof. Dr. S.S.Sane, Prof. N. M. Shahane, Prof.S.M.Kamlapur, Prof. A.V.Kolapkar, Prof.W.W.Pingle and student coordinators. The Equinox conducted various technical as well as non-technical competitions. 400+ students from different colleges all over Nashik participated in the various events of Equinox 2019. The events were judged by esteemed judges from various fields.

The event was organized by the Debuggers' Club in association with student's chapter of CSI. Prof. W. W. Pingle coordinated the event. Active participation and teamwork made the event a grand success. Joshi classes and Tyson, Friends computers, Raj computers, Apex, Aspire tally, Ujjwal Career Guidance centre along with Carnival Restaurant, The J, were the proud sponsors for the events.

EQUINOX 2019

15 05/04/19 Mini Project competition Res

- **1. Student Branch Name**: K. K. Wagh Institute of Engineering Education & Research , Nashik
- 2. Region:-VI
- **3. Event Date :-** 05/04/2019
- **4. Event Title:-** Embedded System and Internet of Things
- 5. Event type:- Mini Project competition

Speakers at the Event: - Prof. S. N. Chaudhari and Prof. Prachiti Pimple

A Mini Project competition on Embedded System and Internet of Things was organized by Department of Computer Engineering under Computer Society of India for Third year Computer Engineering students on 05th April 2019. Prof. S. N. Chaudhari. Asst Prof, Department of Information Technology and Prof. Prachit Pimple Asst Prof, Department of MCA were invited as Judges. Total 20 groups have been selected for the competition and the groups demonstrated their projects to judges. The projects were based on implementation of IOT technology for smart irrigation, city, society etc. The first three winners were awarded with cash prize. The event was coordinated by Prof. I Priyadarshini and Prof. Lalit Patil.

Winners of Mini Project competition on Embedded System and Internet of Things with judges Prof. S. N. Chaudhari ,Prof. Prachiti Pimple and Prof. L. A. Patil
