

**Employer Feedback Analysis**  
**A. Y. 2023-24**

Total No of Feedback Forms: 04

Sr. No. Employers	Feedback Question No. 01	No. of Answer's			
		< 10years (Very Good)	5-10 years (Excellent)	2-3 years (Average)	< 2 years (Good)
1.	How long you have been associated with our Institute for recruiting chemical engineers?	-	-	-	2
2.		1	-	-	-
3.		-	1	-	-
4.		-	-	-	-

Sr. No. Employers	Feedback Question No. 02	No. of Answer's			
		Production (Very Good)	Design Engg. (Good)	Process Engg (Excellent)	Technical Sales (Average)
1.	What would be the profile for the recruitment of our Chemical Engineering students?			1	
2.		1	1	1	1
3.		1			
4.		1	1	1	1

Sr. No. Employers	Feedback Question No. 03	No. of Answer's			
		< 4 Lacs (Very Good)	3.5 Lacs (Excellent)	2.5-3.5 Lacs (Average)	< 2 Lacs (Good)
1.	What was the typical annual average gross salary at the beginning offered by your organisation?	1	-	-	-
2.		1	-	-	-
3.		1	-	-	-
4.		-	1	-	-

Sr. No. Employers	Feedback Question No. 04	No. of Answer's			
		Industrial Software's (Good)	Specific tool as per company demand (Average)	Analytical Techniques (Very Good)	Professionals Skills (Excellent)
1.	Which area did you required to train the students?	-	1	-	-
2.		-	-	1	1
3.		-	-	1	1
4.		-	1	-	-

Prof. Dr. V. S. Mane

**K. Wagh Institute of Engineering Education and Research, Nashik.**  
**Department of Chemical Engineering**

**Action taken report on Employers Feedback (Curriculum Enrichment)**

**A. Y. 2023-24**

Topics suggested by Employers for curriculum enrichment

1. Current Affairs-Domain Specific
2. Artificial Intelligence and Data Science applications
3. Language Skills
4. Polymer Engineering/ Polymer Chemistry syllabus.
5. Current Affairs Domain Specific

**Action taken report**

As per the suggestions of employers following actions are taken:

- Motivated all final year students for Mock Interview, Focused training courses so as to aware about the language skills, various Interview Questions and other important aspects.
- Chemical engineering department introduced subjects such as soft skill and skill development course to second year chemical engineering students from ay 2023-24 to improve various skills such as language, team work, software awareness etc.
- Chemical Engineering Department offered Electives such as Polymer Engineering and Artificial Intelligence and Data Science subject to Third Year Chemical Engineering Students from AY 2022-23.
- Expert lecture on topic 'Opportunities of chemical Engineering' by Dr. V. G. Gaikar, Professor, ICT Mumbai and Ex-VC Dr. BATU, Lonere, Raigad on 26/08/2023, he explored the students to the recent advances in Chemical Engineering.
- Expert lecture on topic 'Introduction to FLACS Software, Pune' by Mr. Ankit Gujrathi and Mr. Pratik Shinde from Gexcon India pvt. Ltd., Pune on 05/07/2023.

**Dr. V. S. Mane**  
Head, Chemical Engg. Dept.
