

Annual Report for A.Y. 2019-2020

Activities of International Facilitation Centre (IFC)

The summary of activities conducted by the International Facilitation Centre of KKWIEER, Nashik during academic Year 2019-2020 are as follows. All these activities were conducted under the guidance of Respected Principal Dr. K. N. Nandurkar and Training Placement Officer Dr. P. K. Shahbadkar.

IFC Coordinator- Prof. Atulkumar S. Patil (Mechanical Engg.)

IFC Co-coordinator- Prof. A. V. Kolapkar (Computer Engg.)

The report is presented in three parts which are as follows,

PART A- Expert/Guidance Sessions and Administrative Work

PART B- Foreign Language Training Activities

Details of PART-A- Experts/Guidance Sessions

1. Study Abroad Counselling Day from 27/8/2019 to 28/8/2019

Training and Placement Cell and International Facilitation Centre of KKWIEER, Nashik in association with Akshay Study Abroad, (ASA) Nashik has organized “Study Abroad: Counseling Day” from 27/08/19 and 28/08/19. Mr. Amit Gore, Director of Akshay Study Abroad and his team carried out the counseling of students.

Dr. P. K. Shahbadkar has briefed the ASA team about the objective of the Counselling Session. TPO team has provided all technical and other requirements to ASA team for the smooth conduction of the counselling activity.

Interested students from the various classes had visited the Training and Placement Cell in the free slots from their academic schedule for counseling by ASA team. The ASA team has counselled the students for the following things throughout the day,

1. Opportunities in various countries for pursuing higher study at abroad
2. Information regarding the Universities and programs offered by them
3. Prerequisites required for higher study abroad like Qualifying Examinations, Eligibility Criteria, Cultural information etc.
4. Information about the financial aspects of higher study abroad, loan facility etc.
5. Information about the Part Time Job availability
6. Information about the Passport and Visa requirements

This activity was carried out for the two days and nearly 100 students have availed the benefit of the said activity. Finally the ASA team Director Mr. Amit Gore and his team has provided the guided students list to TPO and obliged the KKWIEER administration for giving an opportunity to interact with the students. Dr. P. K. Shahbadkar has also given thanks to ASA team for their fruitful counselling session and expected the same kind of cooperation from them in near future.

2. Expert talk on Guidance for “Higher Study Abroad” by Horizon Consultancy
conducted on 17/9/2019

An Eminent Speaker from Horizon Consultancy Services – Overseas Education has delivered an Expert Talk and guided the KKWIEER students On 17/09/2019. He has guided the students on following points,

1. Opportunities of Higher Study in various countries in USA, UK etc.
2. Available Courses and the various streams in the foreign Universities
3. Requirement Qualifying Examinations, Eligibility Criteria, Cultural adaptability etc.
4. Financial requirement, loan availability for study abroad
5. Scholarship and other financial aids available from the Universities
6. Criteria for getting good University
7. Planning of Higher study abroad target

3. Expert Talk on “Job Opportunities and Cyber Security in Banking at Abroad” by
Mr. Amit Jadhav, Sr. VP, DBS Bank, Singapore, on 24/12/2019

Mr. Amit Jadhav, Sr. Vice President DBS Bank, Singapore has delivered an Expert Talk on “Opportunities and Cyber Security in Banking at Abroad”. Mr. Amit Jadhav is an experienced person in the field of software services associated with the banking and financial firms. The Computer Engineering students were present

He has guided the students as per following points,

1. Two step security in banking transactions
2. Use of OTP (one time password) and its advantages and disadvantages
3. Use of different cyber security tools
4. Availability of job opportunities for the same
5. Skills required for getting jobs at abroad in banks and banking software firms as a software engineer.
6. Job opportunities in Cyber Security at abroad and skills required for the same

4. An Expert Talk on “Job Opportunities in Japan” by Mr. Mahesh Patil, Research Scholar Tokushima University, Japan, on 4/1/2020

Mr. Mahesh Patil, Research Scholar, Tokushima University, Japan has delivered an Expert Talk on the topic “Job Opportunities in Japan” on 4 January 2020. He has motivated the students to pursue their career in Japan. He has discussed the following points associated with the topic of discussion,

1. Explained the significance of Japanese language in context with the job opportunities in Japan
2. Guided about the various levels of Japanese language and the need of these level in the working culture of Japan
3. Shared his views in context with the Higher Study opportunities in Japan
4. The cultural heritage of Japan and behavioral science behind it was explained by him
5. Motivated and encouraged the students to learn the Japanese language and try to go for higher study or job in Japan or Japanese organizations.

5. Visit Report of International Education Fair at Pune Organized by Krishna Consultants,
Nagpur on 19/01/2020, Sunday

I Mr. Patil Atulkumar Sahebrao, Asst. Professor, Mechanical Engineering Department has visited an International Education Fair at Pune on Sunday, 19/01/2020 with prior permission from Principal, KKWIEER, Nashik. Following is the summary of my visit to this International Education Fair at Crowne Plaza, Near Jahangir Hospital, Pune.

1. There are total 31 Universities participated in this education fair from the countries like USA (15), UK (5), France (3), Switzerland (2), Canada (1), Italy (1), Germany, Bulgaria (1), Global University Systems (3) etc.
2. I have discussed “The opportunities of Undergraduate and Graduate Education in these Universities”, with the counselors of some of these Universities.
3. Also the Financial assistance for study abroad was available from Bank of Baroda and HDFC Credila. They have given information of various schemes of loans available with them for the students seeking admissions abroad.
4. The information brochures and leaflets of some of the Universities are available with me which can be made available to our students if required.
5. The Counselor from “University of Applied Sciences” Germany has told that knowledge of German Language at certain level is essential for the admissions in Germany. He also told that lots of opportunities in Engineering Graduate study are available at their University. Counselor has shared the total Program expenses (Tuition Fee and Living and Expenses) which are more than 60 to 70 Lakh for most of the Universities in Germany.
6. Coventry University, UK Counselor told that it is one of the top most Universities in UK and offering large number of Engineering Graduate Programs. The student can avail the scholarship depending upon their earlier qualifications and achievements. Also the students can work 20 hrs. Per week for earning extra money for the day today expenses apart from their regular academic schedule.
7. University of Illinois at Chicago, Auburn University, Alabama, University of South Carolina, Columbia, Florida International Universities are also offering the various Graduate and Undergraduate Courses in Science and Engineering. The Counselors has

K. K. Wagh I. E. E. R., Nashik-422003
International Facilitation Centre (IFC)

shared that the total Program expenses (Tuition Fee and Living Expenses) which is more than 1 Crore in USA for most of the Universities.

8. “American University in Bulgaria” Counselor has told that it is a new University in Bulgaria which offers Programs which is the combination of USA and UK education standards. It offers programs in Engineering, Science and Arts. It also offers the placements at International levels at the end of last year to meritorious students. She said that almost 75% students get placed every year from this University.
9. The bank officials from Bank of Baroda and HDFC Credila has shared some points regarding study loans are as follows,
 - Loan is available for both Tuition and Living expenses of the students at respective University which may vary as per University and Country.
 - Students and family members have to give bank guarantee of required amount as per admission requirement in respective University.
 - Students and family has to pay only simple interest up to completion of their study and after completion they need to repay remaining Principal amount along with the interest.
10. The scholarship can be availed by the students as per their qualifications and achievements from various Universities for which students needs to apply separately after getting admission confirmation from the respective University.

Outcome of Visit:

1. The interaction with various Counselors from abroad Universities helped us to know the current scenario of abroad education which can be shared with our students.
2. The financial aspects about study abroad can be disseminated to our students which were received by bank officials.
3. The various scholarship schemes and facilities about study abroad can be disseminated to our students.
4. The International Education Fair arrangements have been observed and the things can be worked out at our institute in the similar manner if required.

6. Study Abroad Counselling Day from 7/2/2020 to 8/2/2020 by Akshay Study Abroad,
Nashik

Training and Placement Cell and International Facilitation Centre of KKWIEER, Nashik has organized “Study Abroad: Counseling Day” from 7/2/2020 and 8/2/2020 in association with Akshay Study Abroad, (ASA) Nashik. Mr. Amit Gore, Director of Akshay Study Abroad and his team has conducted the counselling sessions for KKWIEER students.

Dr. P. K. Shahbadkar has briefed the ASA team about the objective of the Counselling Session. TPO team has provided all technical and other requirements to ASA team for the smooth conduction of the counselling activity.

Prof. Patil A. S. has motivated the students to participate for the said session by giving information of this session in various classes of SE/TE/BE.

Prof A. S. Patil and Prof. A. V. Kolapkar were present during the counselling sessions and encouraged the students for doing their higher study at abroad.

The interested students from the various classes had visited the Training and Placement Cell in the free slots from their academic schedule for counseling by ASA team. The ASA team has counselled the students for the following things throughout the day,

1. Opportunities in various countries for pursuing higher study at abroad
2. Information regarding the Universities and Programs offered by them
3. Prerequisites required for higher study abroad like Qualifying Examinations, Eligibility Criteria, Cultural information etc.
4. Information about the financial aspects of higher study abroad, loan facility etc.
5. Information about Part Time Job availability
6. Information about the Passport and Visa requirements

This activity was carried out for the two days and nearly 100 students have availed the benefit of the said activity. Mr. Amit Gore and his team has provided the guided students list to TPO and obliged the KKWIEER administration for giving an opportunity to interact with the students. Dr. P. K. Shahbadkar has given thanks to the ASA team and expected the same kind of cooperation in near future.

Presents
Study Abroad : Counseling Day
At
K.K. Wagh Institute of Engineering Education and Research

Friday, 07th February 2020, 10:00am to 4:00pm
Saturday, 08th February 2020, 2:00pm to 6:00pm

Venue : Dr.A.P.J. Abdul Kalam Hall, Training and Placement Center

Highlights of Counseling Day:

- One-to-one counseling session with students
- Information regarding various countries and postgraduate programs available
- Information on various entrance exams required
- Estimation of financial requirements
- Information on scholarships/ Part-time jobs availability/ Education loans
- Miscellaneous information as Accommodation/ Forex/ Travel & Health Insurance

Visit and grab this golden opportunity to gather detailed information about study abroad

Entry is free. Open to all students from all Engineering branches.

7. Introductory Session about the Significance of German and Japanese Language and the role of International Facilitation Centre on 24/2/2020

International Facilitation Centre and TPO of institute has conducted an introductory session about the “Significance of German and Japanese Language and the role of International Facilitation Centre” to all the students.

Following are some of the salient points and details of this sessions,

During this session TPO Dr. P. K. Shahbadkar, IFC Coordinator Prof. A. S. Patil and co-coordinator Prof. A. V. Kolapkar and approximately 150 students were present for the said session. Following points were discussed in context with the session,

1. Dr. P. K. Shahbadkar briefed about the job and higher study opportunities in Japan, USA and Europe to the students with some quantitative data available with him. He motivated all the students to enroll for Japanese and German Language course which may be helpful either in getting job or higher study opportunities in foreign countries.
2. Prof. A. S. Patil has presented the role of International Facilitation Centre in short and explained the proposed schedule for the various events for the next month. He has also announced the proposed training facilities for German and Japanese language at KKWIEER by some external agency at a very moderate charges as compared to market rate depending on the number of student enrollment.
3. Prof. A. V. Kolapkar has guided the students about IELTS and TOEFL language structure and the importance of learning of foreign languages, their significance and the role of IFC.
4. Students have been appealed to enroll for the training courses at a moderate charge toward IFC Coordinator.
5. Dr. P. K. Shahbadkar, Prof. Patil A.S. and Prof. A. V. Kolapkar have answered to the various queries of the students like duration of course,

8. An Expert Talk on “Study in Germany” by Mr. Nishant Kumar, Alumnus of KKWIEER, Mechanical on 15/2/2020 at 4.00 PM

IFC has conducted an expert talk on “Study in Germany” which was delivered by Mr. Nishant Kumar (An Alumnus of KKWIEER from Mechanical Engineering Department, currently working at Teknocrats India Pvt. Ltd., Nashik and looking after the International Sales.

Mr. Nishant Kumar and Prof. A. S. Patil and 46 students were present for the session. He has guided the students as per the following points in an elaborative manner by explaining his own experiences and case studies regarding the following points,

- a. The details of pre requisites for getting admission in German Universities like significance of German language, Good Academic Records, Participation in Extra Curricular Activities etc.
- b. Explained the difference between the Public and Private University requirements as well as the procedure requirement for these Universities.
- c. The necessary documentation required for getting admission in German Universities.
- d. Scholarship and internship availability in German Universities and industries.
- e. Financial planning and its significance
- f. Part time job availability during the study and the students can avail this part time job facility to earn the money if some financial constraints arise.
- g. The education and living expenses required for doing higher study in Germany.
- h. Significance of self-study for the preparation of Higher Study abroad activities

At the end of the session the students have asked him their queries which have been resolved by Mr. Nishant Kumar in a very proper manner.

9. Expert Session on Significance of Learning German and Japanese Language by Mr. Sagar Pathak, Director , I Pro Edu, Nashik on 7/3/2020

International Facilitation Center has organized an Expert Session on “Significance of German and Japanese Language” by Me. Sagar Pathak, Director, I Pro Edu, Nashik on 7/3/2020.

Mr. Sagar Pathak. Dr. P. K. Shahbadkar, Prof. A. S. Patil and Prof. A. V. Kolapkar along with approximately 35-40 students were present for this session.

Mr. Sagar Pathak has explained the following points through his power point presentation to all the students,

- a. Importance of a language in everyone’s life
- b. Significance of German and Japanese language for getting good education in Germany and Japan.
- c. Importance of German and Japanese language for getting an excellent job opportunities at abroad.
- d. Various International levels for learning German and Japanese language and minimum requirement of it for getting admission for higher study in Germany and Japan.
- e. The international certification of German and Japanese language and the fee structure, passing criterion, examination center etc.
- f. Also the way of teaching these languages like offline, online, audio books or CDs will be used for the Teaching and Learning of these language courses.
- g. At the end the queries of students were answered by Mr. Sagar Pathak by interacting with them personally.

10. Online Guidance Session on "Study Abroad- Effects of COVID 19" by Mr. Amit Gore, Director Akshay Study Abroad, Nashik, conducted on 4/5/2020

TPO and IFC has organized an online session Mr. Amit Gore, Director, Akshay Study Abroad who guided the students on Opportunities in foreign Universities after COVID 19 Pandemic situation.

Mr. Amit Gore, Dr. P. K. Shahbadkar, Prof. A. S. Patil and approximately 45-47 students were present for the said session during which Mr. Gore has thrown some light on the following points,

- The situation of higher study admissions after Pandemic COVID-19
- Admission opportunities in the various countries like CANADA, New Zealand, Australia, Ireland, USA etc. after pandemic situation gets relaxed.
- Various schemes of scholarships offered by the various Universities so that maximum students can be attracted towards their Universities.
- The basic precautions which the students should follow while seeking admission to various abroad Universities.
- The admission requirements, mode of teaching, evaluation and the changes in it as per COVID-19 situation etc.

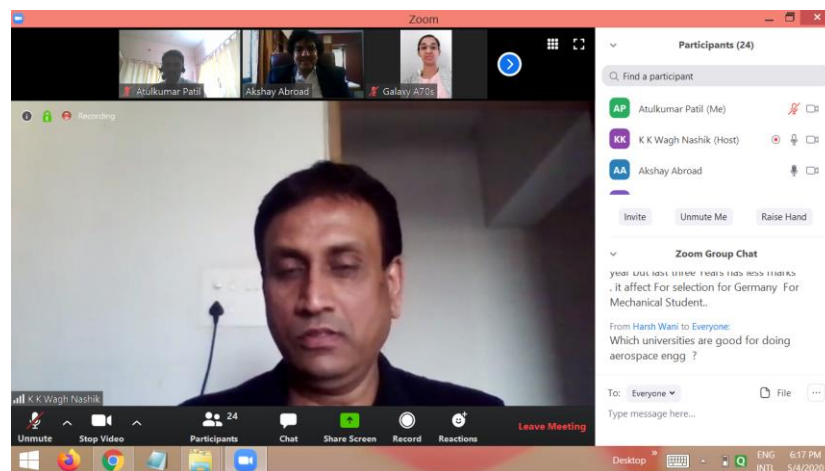

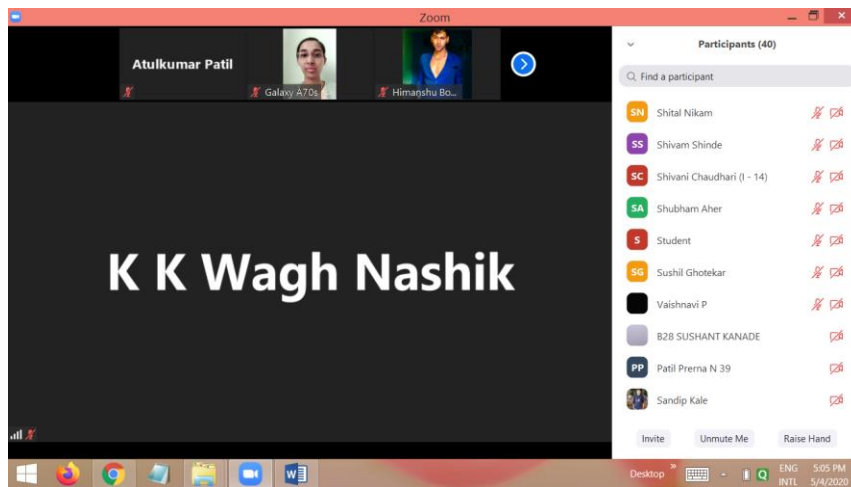

At the end of the session students has raised their queries through chat which were answered by Mr. Amit Gore in a positive manner and asked the students to prepare and try to get admission in a reputed University at abroad.

11. Webinar on “Study Abroad” by Ms. Jayashree Raghuram, Head, South Asia, Leeds Beckett University and Mr. Geet Kulkarni, GeM in You, Nashik, conducted on 22/5/2020

The webinar (Online guidance session) on 22 May 2020 at 10.00 AM (90 Minutes Session) was conducted by International Facilitation Centre, KKWIEER, and GeM in You, Nashik.

Respected Principal Dr. K. N. Nandurakar, Respected Ms. Jayashree Raghuram, Prof. Patil A. S. (IFC-Coordinator), Mr. Geet Kulkarni along with 41 students (from FE/SE/TE/BE) were present for this webinar.

Prof. Patil A. S. has initiated the session and welcomed all guest speakers and participants. Dr. K. N. Nandurakar Sir has briefed about the institute and activities in short to guest speakers and then the speakers have shared their views and answered the questions and doubts from the students.

The following points were discussed by the Resource Persons,

1. Ms. Jayashree Raghuram, Head, South Asia, Leeds Beckett University, United Kingdom-
 - Given general explanation about the study abroad requirements like qualifying examinations, qualifying certifications needed for admissions at abroad specially in United Kingdom etc.
 - Discussed an overview of requirements for admission in United Kingdom
 - Explained the details about the Leeds Beckett University like courses offered, syllabus structure, fee structure, opportunity of job in campus and off campus etc.
 - Focused on Post-Covid opportunities and scenario at Leeds Beckett University as well as in United Kingdom
 - Answered the questions raised by some students like syllabus pattern, fee concession or scholarship, courses offered, documents required etc.

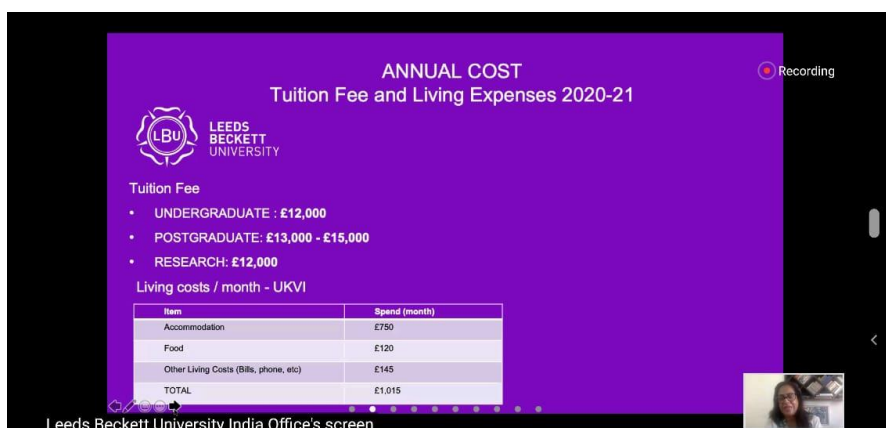

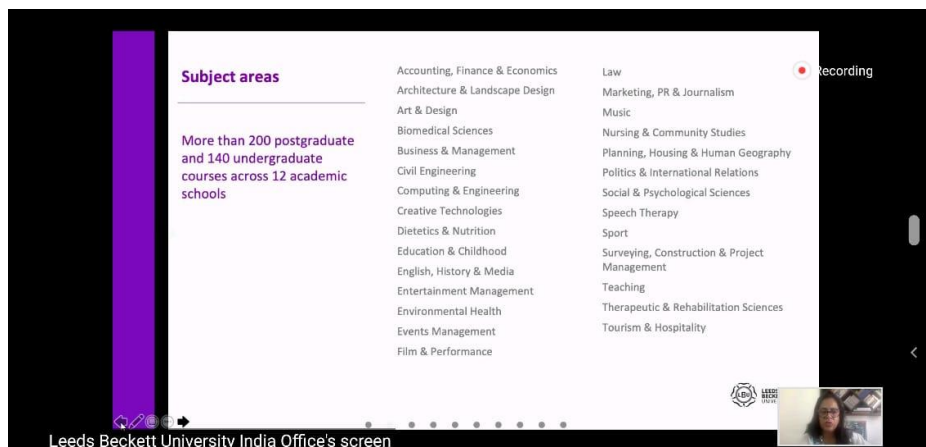

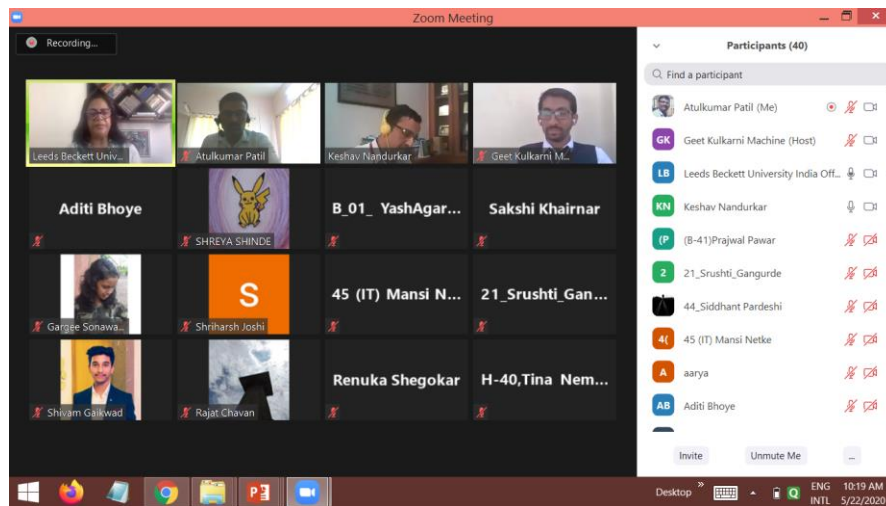

2. Mr. Geet Kulkarni, Director, GeM in You, Nashik-
 - Given an overview of admission requirements in United Kingdom pertaining to Engineering background students
 - Explained his own experiences in United Kingdom about higher study
 - Explained the significance of education in United Kingdom and motivated the students to avail the opportunity of study abroad in United Kingdom.

At the end of the session Prof. Patil A. S. has given vote of thanks and requested Ms. Jayashree Madam to guide the KKWIEER students in near future. She has agreed to visit the institute after pandemic situation and shown keen interest in guiding our students who are willing to get admitted at various Universities in United Kingdom.

12. Online guidance session on "Job Opportunities in Japan" by Mr. Mahesh Patil and Ms. Ana Tatebeta from Japan conducted on 30/5/2020

TPO and International Facilitation Centre (IFC) has organized an online guidance session on “Job Opportunities in Japan” by Mr. Mahesh Patil, Research Scholar, Tokushima University, Japan and Ms. Ana Tatebeta, Research Scholar, Tokushima University, Japan have guided the students about the Japanese culture, requirements of Industries in Japan and need of learning Japanese language.

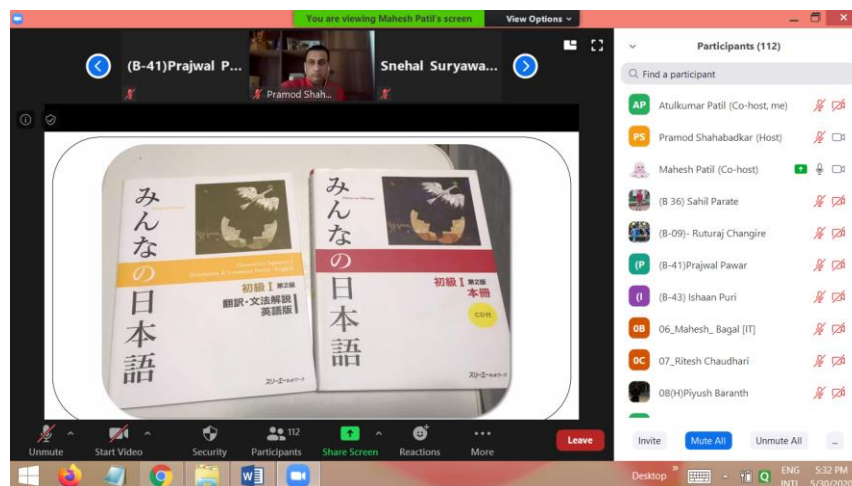

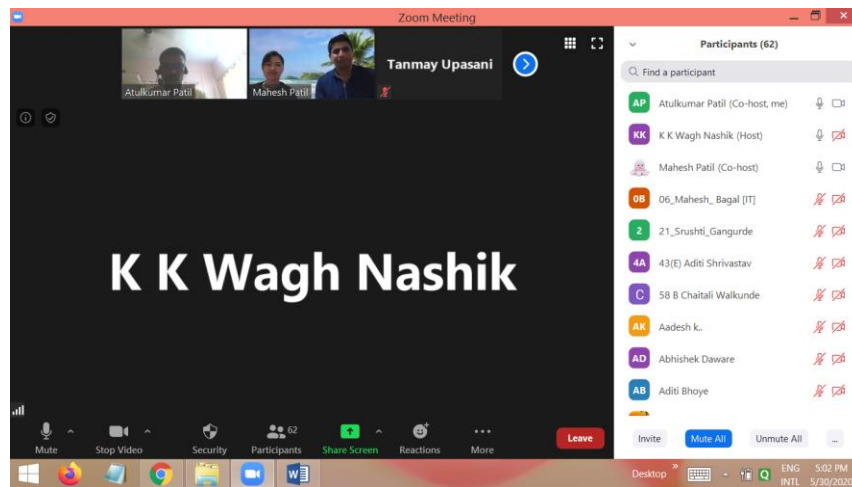

Mr. Mahesh Patil, Ms. Ana Tatebeta, Dr. P. K. Shahabadkar, Prof. A. S. Patil were present for the said session along with nearly 100 participants. Mr. Mahesh and MS. Ana have guided the students by discussing following points in detail,

- a. Requirements of getting a job Japan like knowing the Japanese the Japanese language, knowing the Japanese culture are the most prominent things.
- b. Obtaining the skill sets required for the Japanese companies like learning of Computer languages, coding and debugging skills, CAD-CAM software, Software associated with design and analysis of Mechanical, Civil, Electrical and Electronics systems.
- c. The job opportunity while learning the higher study at Japan
- d. Opportunities in Japanese companies in India and the skill set and other requirements of these companies.
- e. Higher study in Japan and the various required things necessary for doing Higher Study in Japan.
- f. Opportunities of getting any kind of job in Japan depending on the area of expertise like Technical or Non-Technical, Commercial or social etc. but the Japanese language speaking is a must thing in Japan.
- g. Significance of Japanese language and the certification level required for getting a good job or admission in a Japanese University.

At the end the questions raised by the students were answered by Mr. Mahesh Patil and Ms. Ana Tatebeta in a very satisfied manner.

**13. Online Guidance session on “Doing Masters in Germany” By IFC of KKWIEER
and GeM in You Nashik, conducted on 8/6/2020**

The online session was conducted on Monday, 8 June 2020 at 4.00 PM(45 Minutes Session) by Mrs. Hemal Shah, BitTRACK Consultants Pvt. Ltd., Ahmadabad and Mr. Geet Kulkarni from GeM in You, Nashik.

Prof. Patil A. S. has initiated the session and welcomed all guest speakers and participants. He has briefed about the institute activities related to study abroad to the guest speakers. Total 40 students were present for the session and have actively participated during question and answer session with the Experts.

Mr. Geet Kulkarni and Mrs. Hemal Shah has shared their expert opinions about the Higher study at Germany and Europe as well which are summarized in short as given below. The students have asked certain queries related to the admission requirements, Universities available in Germany etc. to which the experts have responded very positively.

The following points were discussed by the Experts,

3. Mr. Geet kulkarni, Director, GeM in You, Nashik

- Given an overview of admission requirements in Germany pertaining to Masters in Engineering as well as in Management.
- Explained his own experiences in Germany about higher study
- Explained the significance of education along with a part time job in Germany and motivated the students to avail the opportunity of study abroad in Germany.
- He has also explained the importance of German language learning to get admitted in good Universities.

4. Mrs. Hemal Shah, Marketing Manager, BitTRACK Consultants Pvt. Ltd., Ahemadabad, Gujrat,

- Guided about the higher study requirements for getting admission in Germany as well as in European countries like general qualifying examinations, qualifying certifications needed, Visa, Travel grant, Scholarship from Universities etc.

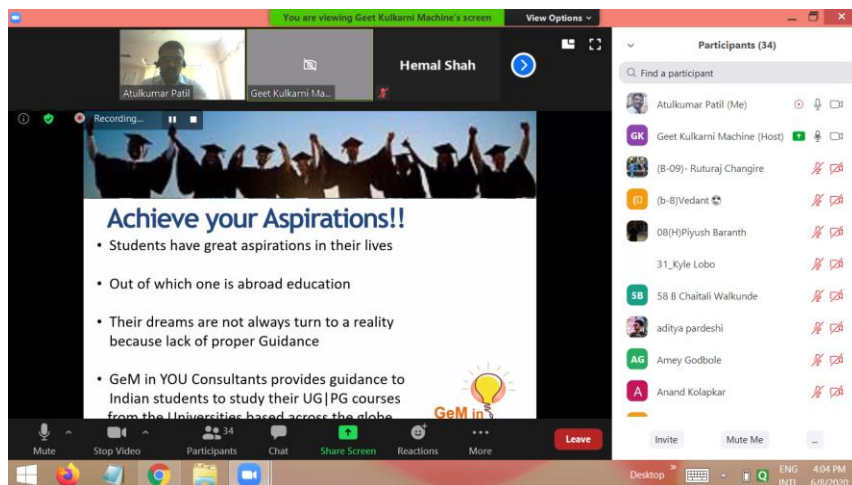

K. K. Wagh I. E. E. R., Nashik-422003 **International Facilitation Centre (IFC)**

- Discussed the internships availability during study as well as the part time job availability and the necessary requirement for the same.
- Explained the details about the some of the Universities in Germany and shared about the various courses offered by these Universities, Syllabus structure, Fee Structure, Campus life at University etc.
- Answered the questions raised by some students like syllabus pattern, fee concession or scholarship, courses offered, documents required etc.

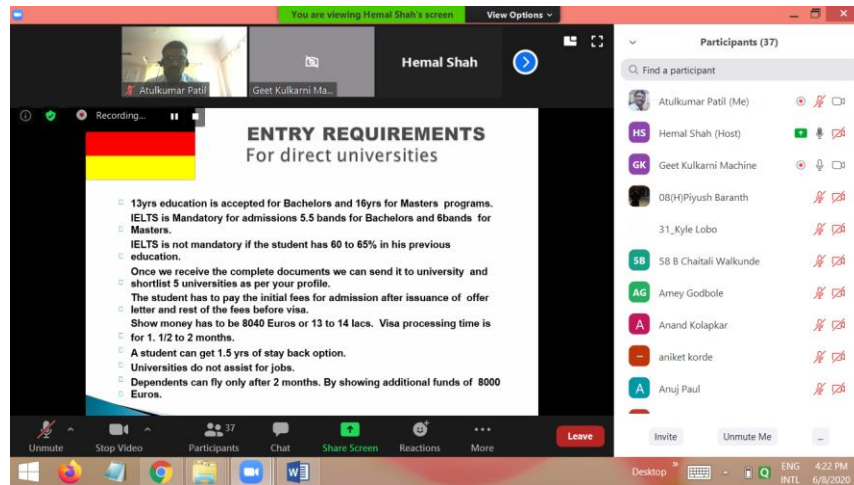

At the end of the session Prof. Patil A. S. has given vote of thanks and requested Mrs. Hemal Shah and Mr. Geet Kulkarni to guide the KKWIEER students in near future. She has agreed for the same and assured that in future some more sessions will be conducted for KKWIEER students through online mode.

Following are some snaps of online session for reference purpose,

Ms. Hemal Shah from BitTRACK Consultants, Ahemadabad and Mr. Geet Kulkarni from GeM in You, Nashik, interacting with the students.

14. Online Session on “Jobs and Higher Study Opportunities in Japan: Post Covid 19 Scenario” organized by IFC of KKWIEER and YuZen Consultancy Pvt. Ltd., Mumbai, on 14/6/2020.

This Online guidance session was conducted by International Facilitation Centre of KKWIEER, in association with YuZen Consultancy Pvt. Ltd., Mumbai on Sunday, 14 June 2020 at 2.00 PM on an Online platform of Zoom.

Respected Principal Dr. K. N. Nandurakar, Training and Placement Officer Dr. P. K. Shahbadkar, Resource Person Mr. Mahesh Khaire, Prof. Patil A. S. (IFC-Coordinator), Prof. A. V. Kolapkar (IFC-Co-coordinator) along with 75 students (from FE/SE/TE/BE) were present for this session.

Prof. Patil A. S. has initiated the session and welcomed all guests and participants. Initially Dr. K. N. Nadurkar Sir, Dr. P. K. Shahbadkar Sir and Mr. Mahesh Khaire Sir has discussed some of the issues like Job and Higher Study Opportunities in Japan in context with after pandemic situation. Dr. P. K. Shahbadkar briefed about the institute and activities in short to all the participants. Prof. A. S. Patil has given the introduction of the Mr. Mahesh Khaire in short and then Mr. Mahesh Khaire have shared their views and answered the question and doubts raised by the students.

The following points were discussed by the Resource Person Mr. Mahesh Khaire, Senior IT Professional and CEO YuZen Consultancy Pvt. Ltd, Mumbai,

- Explained the objective of targetting Japan as the destination hub for Indian students for Job and Higher Study Opportunities. He has given a comparative analysis of Japan, USA and European countries with some differentiating points like average age of Japan, saturation and job scarcity due to pandemic in USA , the self reliance of European countries on their own people who gives opportunity to their people only, affordable higher education and job security in Japan, very good and self esteemed culture of Japan, a peaceful country like Japan etc.
- Shared his own experiences at Japan and explained the students about the Japanese culture, Japanese Educational System and the Industrial revolution in Japan.

K. K. Wagh I. E. E. R., Nashik-422003
International Facilitation Centre (IFC)

- He has also shared his own journey as a person from a very average family to a CEO of a Company and a successful IT Professional and advised the participants to be sincere, hard and smart worker and get excelled in any field of their choice.
- Has given an overview of requirements of job and higher study opportunities in Japan and emphasized on learning of Japanese Language which is an important step in getting job as well as higher study admissions in Japan.
- He has shared the details of Japanese language training, the various level of it, requirements of levels for getting a good job as well as higher study admission etc.
- Focussed on Post-Covid higher study opportunities at various Universities as well as job opportunities in various Automobile and Information Techonology industries in Japan.
- He has also focused on the services provided by the YuZen Consultancy Pvt. Ltd., Mumbai like Japanses language training, Technical skill improvement training, Personality development training, Software development training etc. at an affordable charges to the institutions as well as individual as per their requirement.
- He has answered the questions raised by some students like Universities in Japan, structure and syllabus pattern of these Universities, fee concession or scholarship, courses offered, documents required, jobs oppotunities for Chemical, Mechanical and Prodcution streams etc.

At the end of the session Prof. Patil A. S. has given vote of thanks and requested Mr. Mahesh Khiare Sir to guide the students of KKWIEER in near future in the similar way. He has agreed to visit the institute after pandmic situation and shown keen interest in collabrating with KKWIEER in the area of Japanses language training and technical training for the students.

Following are some snaps of webinar sessions for reference purpose,

K. K. Wagh I. E. E. R., Nashik-422003 **International Facilitation Centre (IFC)**

The image displays three sequential screenshots from a Zoom meeting. The top screenshot shows a Zoom window with three participants in the top bar: Atulkumar Patil, K.K. Wagh Nashik (Host), and Keshav Nandurkar. The main video feed shows Mr. Mahesh Khiaire speaking. The bottom screenshot shows a presentation slide titled "INDIA-JAPAN CHALLENGES". The middle screenshot shows a presentation slide titled "JAPANESE LANGUAGE EDUCATION" with a table of exam dates.

INDIA-JAPAN CHALLENGES

Japan is facing challenges on human resources, experienced IT & other core professionals.

India is facing challenges on providing jobs to millions of professionally qualified & experienced people as demand in Indian IT & Core Engineering industry has reduced.

There is a cutthroat competition in India, experienced professionals are struggling to settle in their present jobs due to low wages & higher living cost and hence they keep changing jobs for better prospects.

Career growth & financial benefits to employees in India is very less as compared to Japan.

JAPANESE LANGUAGE EDUCATION

Japan Foundation supported by Japanese Government conduct Japanese Language Proficiency Test - JLPT across world on the same date.

JLPT - Japanese Language Proficiency Test	
Exam Date	Every Year
1st Week 1st Sunday	July
1st Week 1st Sunday	December

Japanese Language NAT - Test - Gaining momentum - Syllabus is same as JLPT however easy compared to JLPT

Japanese Language NAT - Test	
Exam's 5 Times in a Year's Exam Date	
17th February	25th August
7th April	20th October
16th June	8th December

YuZen Consultancy has JLPT experienced professionals based in India & Native Japanese professionals based in Japan for providing JLPT coaching up to N2 level.

Mr. Mahesh Khiare, CEO, Yuzen Consultancy Pvt. Ltd., Mumbai guiding the students during the session.

Details of PART B- Foreign Language Training Activities (German and Japanese)

- IFC has conducted the counselling sessions and guided the students for the enrollment of foreign language courses which were framed by the KKWIEER and I-Pro EDU.
- The Memorandum of Understanding is signed between the KKWIEER and I-Pro EDU (signed in from July 2020 due to Pandemic) to initiate the training of German and Japanese language training sessions at an affordable and concessional training charges in the benefit of KKWIEER students.
- It has been decided that Rs.5000/- will be the training charges for German A1 level and Japanese N5 level as per conditions of MoU. The students has to pay the fees through the KKWIEER account which will be paid to I Pro Edu after successful completion of course.
- As per the appeal made to the students 18 students have enrolled for the German language course and 14 students have enrolled for Japanese language course out of which 16 students have completed the German language course and 12 students have completed the Japanese Language course successfully from 5 May 2020 to 10 August 2020.
- The students has been benefitted with the good amount of concession in terms training fees for sessions with the prior approval from the KKWIEER office by inviting the quotations from the different service providers. Students have also given the sufficient time for the deposition of fees due to Pandemic Situation.
- All the fees has been deposited in KKWIEER account by the students though online mode and after successful completion of course, KKWIEER and I Pro EDU Institute examination, declaration of result and certificate distribution the same has been disbursed to I Pro EDU by sub mitting a short report and required financial documents to KKWIEER accounts office.
- Due to pandemic situation all the classes of First batch of German and Japanese sessions were conducted in an online manner through a ZOOM platform along

K. K. Wagh I. E. E. R., Nashik-422003
International Facilitation Centre (IFC)

with other online tools used by I Pro EDU for the conduction of tests and evaluation of student performance.

- The details of German and Japanese language training is as given below,

German language Training Details (First batch of German A1 level course)

Following are the details of list of students, declared result, sample screen shot of training sessions, sample certificate of training of German A1- Level course from conducted from 5 May 2020 to 10 August 2020.

Specimen Screen shots of online German language of A1 level Training Sessions

The screenshot shows a Zoom meeting interface. The main content is a slide from 'i-Pro Edu' with the following text: 'Deutsch', 'Deutschland', 'दोईच', and 'दोईचलांड'. There is also a small German flag icon. The meeting controls at the bottom include Mute, Stop Video, Participants (21), Chat (1), Share Screen, Record, and Reactions. The system tray shows the time as 4:12 PM on 5/5/2020.

The screenshot shows a Zoom meeting interface. The main content is a slide from 'i-Pro Edu' titled 'Basics of Pronunciations'. It features a table with German words and their corresponding Hindi pronunciations. The table is as follows:

sSie					
J	य	Ja	Julia	Juni	Juli
V	फ	Vater	Volkswagen		
ei	आय	Eis	drei	Einstein	
ie	इ	Kiel	Liebe	Siebeck	
_e	_अ	Komme	Lampe		

The meeting controls at the bottom include Mute, Stop Video, Participants (22), Chat, Share Screen, Record, and Reactions. The system tray shows the time as 4:30 PM on 5/5/2020.

K. K. Wagh I. E. E. R., Nashik-422003 International Facilitation Centre (IFC)

The screenshot shows a Zoom meeting in progress. The main window displays a grid of 14 participants. The names visible in the grid are: Karik Kapse, Rajat Chavan, Rohit Musale, I Pro Edu, Tina Nemade, Shrinivas Khetre, Ashlesha Patil, Yash Agarkar, Ashutosh Tarle, Janhavy Bhalerao, Anish Rachcha, Tejas Kshirsagar, Swara Pimprkar, and Shreya Shinde. On the right side, there is a 'Participants (14)' list with icons for each participant, including their names and status (e.g., muted, video off). At the bottom, there are controls for Mute, Stop Video, Participants, Chat, Share Screen, Record, and Reactions. The system tray at the bottom right shows the date and time as 14-05-2020.

The screenshot shows a PDF document titled "Mein Beruf" (My Profession) with a matching exercise. The exercise is numbered 7 and asks the user to read the texts and order the pictures. The text is in German and includes four numbered paragraphs, each with a name and a picture. The names are Harun Arslan, Silke Jonas, Magda Donat, and Fabian Höllinger. The text describes different professions: a doctor, a taxi driver, a technician, and a student. The exercise is presented in a clean, professional layout with a white background and black text. The PDF viewer interface is visible at the top and right, showing the file name "A1 K8.ppt" and various navigation and sharing options.
