The Master Student Program is organized every year in K. K. Wagh Institute of Engineering Education and Research by ISTE student's chapter since 2003 and this year it marked its 14<sup>th</sup> year of success. It was conducted on 23<sup>rd</sup> February 2017. This program is inspired by a manual called "Master Student" prepared by ISTE, New Delhi. The theme usually revolves around the development of technical and life skills that any engineering student needs to inculcate in his life.

The theme of this year's Master Students Program was "Digital Engineers" introduced by Principal of the institute Dr. K. N. Nandurkar. In "digital India" mission, engineers plays vital
