#### **2) Project Based learning and summer training in Universities abroad**

An interactive session by Dr. S. S. Inamdar (Managing Trustee/Secretary, Vishwaniketan) was organized on the topic- “Project Based learning and summer training in Universities abroad” on 14<sup>th</sup> October 2017. It was organized for the Second and Third year engineering students of our institute. During the session, he emphasized on project based learning and its importance for the overall development of students. He put forth various objectives and benefits of the UG Fellowship programs offered by various universities outside of India. Some of the main objectives offered were to create more development in the areas of Indian research and start-ups. Some international universities have extended their collaboration towards this cause. Some of them were: Athens Information Technology (AIT) (Greece), Ural Federal, University (UrFu) (Russia), National Technical University (Ukraine), University of Arkansas, Little Rock, (USA), Stevens Institute of Technology, New Jersey, (USA), Technical University of Sofia, (Bulgaria), University of Tor Vergata (Rome, Italy).
