

It's a great pleasure to present our newsletter for the May 2023 of AY 2022-23. Department of Robotics & Automation has been consistently endeavoring to upgrade the skills and performance of students and staff members through various ventures.

❖ **Expert lectures attended by staff**

01 expert lectures attended by the teaching and non- Teaching staff.

Sr. No.	Title of lecture	Name of Speaker	Name of Industry	Date	No. of Student Present
1	Automated Material Movement & Storage System in Industry	Mr. Ganesh D. Ushir	Meghpushpa Energytech, Nashik	19-05-2023	37

**Online Webinar attended by the faculty**

In the month of the May 2023 teaching and non - Teaching staff member attended various webinar on online platform to explore the new advancement in the technology.

❖ **Student Activities**

- 1) The Department of Robotics and Automation organized an Industrial Visit for Robotics and Automation Students at "SMP ENGINEERS AND ELECTRICALS PVT LTD", Malegaon MIDC, SINNAR 422103 The visit was organized on "29th May. 2023 ". During the visit, students came to know the concept of different types of electrical & electronics customized components for various industries.

Students received information about electrical & electronics components & Sensors.

- 2) The Department of Robotics and Automation organized an Industrial Visit for Robotics and Automation Students at " Ring Plus Aqua Ltd", Malegaon MIDC, SINNAR 422103 The visit was organized on "15th May. 2023 ". During the visit, students came to know the manufacturing processes of various types of Ring Gear, Water Pump, Bearing and Flexplates. Students received information about students is to gain practical knowledge about the actual manufacturing processes of various gears and bearings carried out in the industries.

## ❖ Staff Activities

### Paper presentation

Dr. P. J. Pawar
