**Nashik** | Prayas Youth Forum and Social Research Foundation is a non-profit organisation to promote and support educational and developmental efforts in India. 'Prayas' meaning endeavour. We are making an effort towards bridging the gap between India and Bharat (widely coined term for rural India).

India is the country with great and big history. It is coming up as a superpower with support of time. Since India is a developing country we find development gap between rural India and urban India and also realise the need to bridge this gap. In this drive of development and urbanisation we still find people in India who are deprived of basic needs and live in scarcity of resources.

Realising this needs Prayas youth forum and social research Foundation, Nashik took an initiative to help and support those people in being toasted. This people strive in fulfilling their basic needs. we have choices for food and clothing also we can afford medical expenses., but this people have to take whatever comes to them they can't have choices.

From 27th August to 1st September Prayas youth forum organised 'Cloth donation drive' in K.K. Wagh Institute of Engineering Education, Nashik and throughout Nashik. This 'Cloth donation drive' received great response from all over Nashik. A part of donated clothes is sent to help in reliving people suffering from floods in Kerala in association with 'Dhobi Junction', Nashik.
