About Society

K. K. Wagh Education Society is a leading educational trust in Nashik District. It was established in 1970 by the visionary leader Late Padmashree Karmaveer Kakasaheb Wagh. He realized the importance of education for upliftment of rural masses & started with a school in Niphad Taluka. The education society later on received a land of 23 acres from the well-known Philanthropist Late Kakuseth Udesi who was Director of Hansaraj Surji Charitable Trust, Nashik. It was utilized by K. K. Wagh Education Society to establish an ideal Technical Campus known as 'Hirabai Haridas Vidyanagari'. This picturesque Campus houses the Engineering College, Pharmacy & two Polytechnics, out of which one is exclusively for women. Later on the other educational institutes in the field of Agriculture, Agricultural Engineering, Education, Nursing, Fine Arts, Performing Arts were started in the campus at Saraswatinagar, Nashik. English Medium Schools, Junior Colleges & Universal Schools are also run by the trust in Nashik City & Niphad Taluka.

With the vision of empowering the youth through quality education, K.K. Wagh Education Society started colleges with faculties like Arts, Science, Commerce, Computer Science etc. at Nashik, Pimpalas (Ramache), Kakasaheb nagar & Chandori. These colleges are useful for the children of farmers who were deprived of higher education due to non-availability of colleges in their native place. A Polytechnic was established in Chandori village to provide technical education for rural students.

The objective of K. K. Wagh Education Society is to provide quality education at affordable cost. The quality culture has been developed in all the institutes. All institutes have State-of-the-Art laboratories with latest equipments, computers & internet connectivity. A major strength of all the institutes is highly motivated & qualified faculty engaged in teaching, research, consultancy, & training, testing & designing. Other facilities provided to the students include gymnasium & sport facilities, hostels for boys & girls, mess & canteen, transportation facility etc. A small sapling planted by Karmaveer Kakasaheb Wagh has grown into a big tree with 35 institutes having over 21,000 students engaged in studies from K.G. to Ph.D. in various fields. There are over 2,000 dedicated employees following the Indian ethics & striving hard towards perfection & excellence.

President's Message

K. K. Wagh Education Society started in the year 1970, a small sapling planted with only one institute, has now spread its wings with 35 different institutes.

The credit goes to all students, stakeholders, staff & my colleagues in the board of directors. I am proud to say that the K.K.Wagh has become the brand name in the field of education. The colleges like Engineering, Polytechnic, Pharmacy, traditional branches like Arts, Science & Commerce, Education, Nursing & Agricultural studies are offered & being chosen by high ranking students.

Many of our past students have gone already for higher studies. Most of the students are holding prestigious positions in the reputed organizations within the country & abroad. K.K.Wagh is known for the moral values, ethics & contributing a lot for the overall upliftment of the society.

I, being the President welcome you to be a member of K.K. Wagh family.

Best of luck for all your future endeavours.

Balasaheb D. Wagh

President,

K. K. Wagh Education Society, Nashik

Foreword from the Principal

The vision of our founder trustees to provide quality technical education for the students with rural background was realized in 1984 after the establishment of this Engineering college. It was later on shifted to Nashik city and has become a land mark for excellence in technical education which is evident from the re- accreditation of five branches by the National Board of Accreditation (NBA). Our institute was ranked 85th at National Level and 9th rank in the state by NIRF (2016), Dept. of MHRD, New Delhi.

In the year 2018-19, our institute is recognised as a Platinum (Highest) Status by the AICTE - CII industry linked survey.

K. K. Wagh Institute of Engineering Education and Research Nashik offers nine UG, six PG and four Ph.D programmes affiliated to S.P. Pune University with total intake of 1068 per year. Besides Engineering, the institute also conducts courses like MCA and MBA blending the technology with management. The objective is to develop engineers and technocrats who will contribute towards the development of society. This is achieved under the guidance of advisory committee which comprises of experts from various fields.

The strong interaction with industries has resulted in large number of sponsored projects along with opportunities for the students to join in-plant training and getting good jobs. Many students have topped the university exams and also joined various prestigious institutes for higher studies in India and abroad. With research grants of over one 1

cr. received from various agencies, in last 5 years resulted in strong research culture in the institute.

Institute believes in developing overall personality of the students. Many extra curricular activities are organized throughout the year which provide opportunities for students to exhibit their talents. After winning several awards at national level some of the students have participated in international competition in different countries for paper presentation and project competitions. There is well maintained gymnasium with excellent sports facilities. Various tournaments are held in the institute premises and students are selected to represent university at national and international level.

The Training & Placement Cell of the Institute has been inviting many reputed companies for the campus placement and large number of students have obtained placement offers before completing their graduation.

We feel proud about the achievements of our alumni members in various fields of life. Recently alumini meets were organised in USA, Bengaluru & Pune for networking with our past students.

We are sure that the students passing out from this institute will be able to face any challenge successfully in the global competition.

Dr. K. N. Nandurkar
Principal

From T.P.O.'s Desk...

Greetings from KKWIEER!

Our Institute holds the pride of place being the first ever-Engineering Institute established in Nasik, Maharashtra in the year 1984. Institute is affiliated to S.P University of Pune and we have the talent pool of Mechanical, Electronics, Electronics & Telecommunication, Computer, Information Technology, Electrical, Chemical, Production, Civil Engineering students along with MBA / MCA / ME students for recruitment.

We also have talent pool from Polytechnic and graduates of Agricultural, Science, Commerce, Fine Arts, Performing Arts, Nursing, Food Technology and Horticulture in our sister concerned institutes run by K. K. Wagh Education society.

The students are willing to locate anywhere within the country or overseas and they have all the qualities to prove themselves in the industries.

In the present scenario, the emphasis is on improving Institute-Industry Interaction. Both the Industry and Institute find it mutually beneficial by organizing the Campus Recruitment Programme.

T&P cell is committed for providing maximum job opportunities to interested and needy students of K K Wagh IEER. We regularly conduct HR summit and HR connect programs to make our students aware about skill expectations from industry and for developing a mechanism for bridging the skill gap. We groom the students meticulously from First Year to Final Year for their campus selection process by conducting training for soft skills. Regularly we also make the students aware about different opportunities available in the areas like defense services, entrepreneurship development, opportunities in higher education, patent agents etc.

Placement season runs throughout calendar year and institute is having dedicated infrastructures for conducting Aptitude test/Group Discussions and Personal Interview in its campus.

It is our pleasure to share with you that on an average 100 reputed companies give the placement opportunities to our students.

Students have been placed in very reputed companies like: TCS, KPIT Technologies, L&T InfoTech, Wipro Technologies, ABB, Emerson, Bridgestone, Goodyear Tyres FINIQ, Crompton Greaves, Praj, Jindal, Mahindra Sona, Mahindra & Mahindra, BOSCH etc. We invite more and more companies to join our placement process and select meritorious engineers for strengthening their workforce.

Dr. Pramod K. Shahabdkar

Training & Placement Officer

Training & Placement Cell

In order to meet the global challenges of skilled manpower in the 21st Century, institute has started a separate Career Development Center, named as Dr Abdul Kalam Career Development Center. The aim of this center is to make the students aware about various career options available after becoming an Engineer. The Career Development Center regularly organizes the training programs & conducts campus interviews in the institute. Career Development Center is headed by a senior faculty Dr. Pramod Shahabdkar & is having a small group of dedicated & committed staff supported by departmental Staff & Students coordinators.

The objective of this Career Development Center is:

1. To become an effective link between the job seekers & job providers by building up networking with Industries & Alumni.
2. To ensure the transparency & clarity in the Training & Placement Activities
3. To provide equal job opportunities to students.
4. To enhancing the employability skills of students
5. To ensure sustainable employment for all our students

Through Dr A P J Abdul Kalam Career Development Center various activities are conducted like: Training of Students, Placement Activities,

Students Mentoring & Reaching out to Industries for enhancing Industry-Institute Interaction, Entrepreneurship Development Activities. Study Abroad Cell is also started recently to make the students aware about higher study opportunities in the foreign countries.

The institute maintains a cordial relationship with the industries & local industrial organizations like Nashik Industrial Manufacturers Associations (NIMA), Ambad Industrial Manufacturers Associations (AIMA) & Confederation of Indian Industries (CII) & invites them for HR connects & HR summits for enhancing industry institute interactions for molding the students to industry needs.

The institute has signed the MoUs with KPIT Technologies, FINIQ & ZENSAR Technologies & many other training institutes for the purpose of training the students for enhancing their technical & soft skills.

Training & Placement (T&P) Cell also coordinates with the companies to help our passed out for recruitment if need arises in the companies
