## **ABOUT SOCIETY:**

K. K. Wagh Education Society is a leading educational trust in Nashik District. It was established in 1970 by the visionary leader Late Padmashree Karmaveer Kakasaheb Wagh. He realized the importance of education for upliftment of rural masses & started with a school in Niphad Taluka. The education society later on received a land of 23 acres from the well-known Philanthropist Late Kakuseth Udeshi who was Director of Hansaraj Surji Charitable Trust, Nashik. It was utilized by K. K. Wagh Education Society to establish an ideal Technical Campus known as 'Hirabai Haridas Vidyanagari'. This picturesque Campus houses the Engineering College, Pharmacy & Polytechnic. Later on the other educational institutes in the field of Agriculture, Agricultural Engineering, Education, , Fine Arts, Performing Arts were started in the campus at Saraswatanagar, Nashik. English Medium Schools, Junior Colleges & Universal Schools are also run by the trust in Nashik City & Niphad Taluka.

With the vision of empowering the rural youth through quality education, K.K. Wagh Education Society started colleges with faculties like Arts, Science, Commerce, Computer Science etc. at Nashik, Pimplas (Ramache), Kakasaheb Nagar & Chandori. These colleges are useful for the children of farmers who were deprived of higher education due to non-availability of colleges in their native place.

The objective of K. K. Wagh Education Society is to provide quality education at affordable cost. The quality culture has been developed in all the institutes. All institutes have State-of-the-Art laboratories with latest equipments, computers & internet connectivity. A major strength of all the institutes is highly motivated & qualified faculty engaged in teaching, research, consultancy, & training, testing & designing. Other facilities provided to the students include gymnasium & sport facilities, hostels for boys & girls, mess & canteen, transportation facility etc. A small sapling planted by Karmaveer Kakasaheb Wagh has grown into a big tree with 30 institutes having over 20,000 students engaged in studies from K.G. to Ph.D. in various fields. There are over 1,800 dedicated employees following the Indian ethics & striving hard towards perfection & excellence.

## CHAIRMAN'S MESSAGE :

It is a real pleasure for me to welcome you to the K. K. Wagh Group of Institutions.

K. K. Wagh has been synonymously with quality education for over 50 years and been a responsible member of India.

As a Chairman of the K. K. Wagh Trust, I feel proud in sharing that the Trust has stayed true to its objective and vision throughout the years. We believe that quality education is the best and most assured route to prosperity and development of the society.

It is with this vision that our founding father, Shri. Kakasaheb Wagh, followed by our beloved Trust President, Balasaheb Wagh (Bhau), contributed towards the development of rural India. Today, with over 30 institutes under its umbrella, K. K. Wagh provides programs for the complete and holistic development of child and youth in the urban and rural regions of Nasik. We offer courses in Engineering, Pharmacy, Agriculture, School Education, Fine Art and Performing Art along with traditional Arts, Science and Commerce courses. You may be surprised to know that at any given point there are more than 20,000 learners across the programs of K. K. Wagh.

Our alumini continues to excel in various fields and are leading teams in international corporations. When someone asks, "How do I measure the success of K. K. Wagh?" I reflect on two crucial attributes; Firstly, we have students whose parents graduated from this very campus... what else can be a true testament to the value that we offer for generations to believe in us! Secondly, the longevity of the members of K. K. Wagh in the system. The springboard that we provide students is built by dedicated staff who believes in the vision and values of K. K. Wagh. Year after year, decade after decade they have worked with the same zeal. Today, we stand at a very interesting crossroad in the field of education. "The competitiveness of a nation comes from its people and the human capacity comes from education." The proposed National Education Policy, 2020 has come with exciting opportunities for learners and academicians. It demands dedication, authenticity and innovation from educational institutes to develop skilled and valued citizens for sustainable development. Half a century ago, K. K. Wagh led the movement for top-class institutions. Again, the time has come when major institutes will have to lead the 21st century to implement the NEP. At K. K. Wagh we are ready for this challenge and are committed to lead the next phase. I invite you all to experience and engage with the K. K. Wagh Trust in this new phase.

K. K. Wagh - Contributing to Nation Development by Building Human Capacity.

Warm Wishes

**Sameer B. Wagh**

Chairman, K.K. Wagh Education Society, Nashik

## Founder & Visionary of K.K.Wagh

**Balasaheb Wagh alias Bhau .... a symbol of DETERMINATION – DEVOTION - DILIGENCE**

The late Balasaheb Devram Wagh alias Bhau (1932-2022) was born in the legendary family of Padmashri Karmaveer Kakasaheb Wagh.

He was an Agriculture graduate and started his career in cooperative and agriculture gathering field experience in these sectors. Due to his scientific temper and rational approach, he succeeded in increasing the productivity of various sugar factories and brought them into the limelight.

Later, he founded the K. K. Wagh Education Society in 1970 and played an instrumental role in shaping this society. Owing to his dedicated efforts, able stewardship and interest in providing students with diverse fields of education like Engineering, Agriculture, Pharmacy, Polytechnics, Senior Colleges and school education (SSC & CBSE schools). The K. K. Wagh Education Society could establish 9 campuses by 2022.

A man of principles, he brought the light of knowledge into the lives of the rural population by providing education, especially for girls, at an affordable cost. His main focus was always on giving "Quality education to all students".

Being a man who believed in top quality, he strived so that the mark of K. K. Wagh spread across the globe from rural areas. Due to his constant support and engagement, more than 200 staff members have upgraded their educational qualifications and acquired degrees from institutes of repute in India.

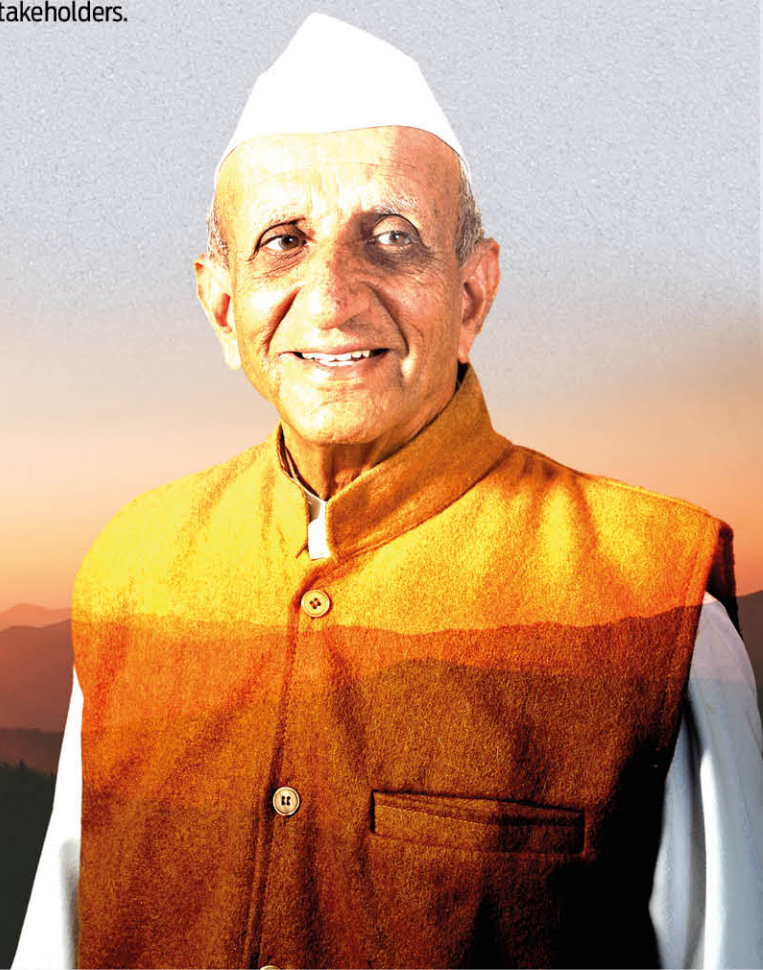

His rich experience in agriculture and love for nature prompted him to encourage biodiversity on all campuses of K. K. Wagh Education Society and his efforts have borne fruit in the form of rare varieties of plants and a lush green cover at the various learning centers.

He was aware of various social issues and hence inculcated a

sense of social responsibility amongst the students. Due to his student-centric approach, all his activities are aimed at the overall holistic development of students. Besides being proud of the Indian heritage and tradition he also had a keen eye in arts and hence to promote culture, he started graduate degree courses in Fine arts and Performing Arts, the only institutes outside Pune offering these courses. He has emphasized on the value system and character building to groom the students and faculty as good citizens of the globe.

A man who lived a very simple life was always busy in giving more to society and spreading knowledge and wisdom. A catalytic force behind three different associations of management of unaided colleges of Engineering, Polytechnic, and Agriculture & Allied. A leader who promoted quality education in various institutes in Maharashtra, and headed several delegations of managements for resolving the various issues along with the government and various organizations.

With his zeal and infinite energy, he tapped people's hearts and inspired them to undertake global challenges. He planted the spirit of K. K. Wagh in each and every one he touched...It is due to his generous approach and dedicated contribution that his memories will be cherished and remembered forever in the minds of several stakeholders.

## Foreword from the Principal

The vision of our founder trustees to provide quality technical education for the students with rural background was realized in 1984 after the establishment of this Engineering college. It has become a land mark for excellence in technical education which is evident from the re-accreditation of 8 branches in the year 2019-20 by the National Board of Accreditation (NBA). One more branch was accredited in 2020-21 by NBA & Institute is already having grade 'A' by NAAC.

UGC has granted an academic autonomous status to KKWIEER from the Academic Year 2022-23. AICTE has granted an IDEA Lab by sanctioning an amount of one crore to promote innovation and research in collaboration with industries. In the year 2020-21, our institute is recognised as a Platinum (Highest) Status by the AICTE - CII industry linked survey for the fourth time.

K. K. Wagh Institute of Engineering Education & Research Nashik offers 10 UG, 3 PG & 5 Ph.D. programmes in engineering affiliated to S.P. Pune University. Besides Engineering, the institute also conducts courses like MCA & MBA blending the technology with management. Recently, the institute has started 3 new UG courses in the emerging areas namely: 1. Robotics and Automation 2. Artificial Intelligence and Data Science. 3. Computer Science and Design. The objective is to develop engineers & technocrats who will contribute towards the development of society. This is achieved under the guidance of advisory committee which comprises of experts from various fields.

The strong interaction with industries has resulted in large number of sponsored projects along with opportunities for the students to join in-plant training & getting good jobs. Many students have topped the university exams & also joined various prestigious institutes for higher studies in India & abroad. With research grants of over 2 crore received from various agencies, in last 5 years resulted in strong research culture in the institute.

Institute believes in developing overall personality of the students. Many extra curricular activities are organized throughout the year which provide opportunities for students to exhibit their talents. There is well maintained gymnasium with excellent sports facilities. Various tournaments are held in the institute premises & students are selected to represent university at national & international level.

The Training & Placement Cell of the Institute has been inviting many reputed companies for the campus placement & large number of students have obtained placement offers before completing their graduation.

We feel proud about the achievements of our alumni members in various fields of life. Recently the institute has been granted autonomous status by UGC. It will be implemented from AY-2022-23.

We are sure that the students passing out from this institute will be able to face any challenge successfully in the global competition.

**Dr. K. N. Nandurkar, Principal**

## From T.P.O.'s Desk...

### ***Greetings from KKWIEER !***

Our Institute holds the pride of place being the first ever-Engineering Institute established in Nasik, Maharashtra in the year 1984. Institute is affiliated to S.P University of Pune and we have the talent pool of Mechanical, Electronics, Electronics & Telecommunication, Computer, Information Technology, Electrical, Chemical, Production, Civil Engineering students along with MBA/MCA/ME students for recruitment.

We also have talent pool from Polytechnic and graduates of Agricultural, Science, Commerce, Fine Arts, Performing Arts, Nursing, Food Technology and Horticulture in our sister concerned institutes run by K.K.Wagh Education society.

The students are willing to locate anywhere within the country or overseas and they have all the qualities to prove themselves in the industries.

In the present scenario, the emphasis is on improving Institute-Industry Interaction. Both the Industry and Institute find it mutually beneficial by organizing the Campus Recruitment Programme.

T&P cell is committed for providing maximum job opportunities to interested and needy students of K K Wagh IEER. Placement season runs throughout calendar year and institute is having dedicated infrastructures for conducting Aptitude test / Group Discussions and Personal Interview in its campus. We regularly conduct HR summit and HR connect programs to make our students aware about skill expectations from industry and for developing a mechanism for bridging the skill gap. We groom the students meticulously from First Year to Final Year for their campus selection process by conducting training for soft skills. Regularly we also make the students aware about different opportunities available in the areas like defense services, entrepreneurship development, opportunities in higher education, patent agents etc.

It is our pleasure to share with you that on an average around 150 reputed companies give the placement opportunities to our students. Students have been placed in very reputed companies like: Nvidia, TCS, KPIT Technologies, Persistent Systems Ltd, Wipro Technologies, ABB, Emerson, Goodyear Tyres FINIQ, Crompton Greaves, Praj, Jindal, Mahindra Sona, Mahindra & Mahindra, BOSCH, Dmart, Fedral Bank, etc. We invite more and more companies to join our placement process and select meritorious engineers for strengthening their workforce.

***Dr. Pramod K. Shahabadkar***

***Training & Placement Officer***

# Training & Placement Cell

In order to meet the global challenges of skilled manpower in the 21<sup>st</sup> Century, institute has started a separate Career Development Center, named as Dr Abdul Kalam Career Development Center. The aim of this center is to make the students aware about various career options available after becoming an Engineer. The Career Development Center regularly organizes the training programs & conducts campus interviews in the institute. Career Development Center is headed by a senior faculty Dr. Pramod Shahabdkar & is having a small group of dedicated & committed staff supported by departmental Staff & Students coordinators.

The objective of this Career Development Center is:

1. To become an effective link between the job seekers & job providers by building up networking with Industries & Alumni.
2. To ensure the transparency & clarity in the Training & Placement Activities
3. To provide equal job opportunities to students.
4. To enhancing the employability skills of students
5. To ensure sustainable employment for all our students

Through Dr AP J Abdul Kalam Career Development Center various activities are conducted like: Training of Students, Placement Activities, Students Mentoring & Reaching out to Industries

for enhancing Industry-Institute Interaction, Entrepreneurship Development Activities. Study Abroad Cell is also started to make the students aware about higher study opportunities in the foreign countries.

The institute maintains a cordial relationship with the industries & local industrial organizations like Nashik Industrial Manufacturers Associations (NIMA), Ambad Industrial Manufacturers Associations (AIMA) & Confederation of Indian Industries (CII) & invites them for HR connects & HR summits for enhancing industry institute interactions for molding the students to industry needs.

The institute has signed the MoUs with KPIT Technologies, FinIQ & ZENSAR Technologies & many other training institutes for the purpose of training the students for enhancing their technical & soft skills. Training & Placement (T&P) Cell also coordinates with the companies to help our passed out for recruitment if need arises in the companies

## Highlights of the Training activities

T&P cell conducts TPO connect, HR Connect & other training programs from First to Final Year students to groom them meticulously for their campus selection process. The training flow from FE to BE is as detailed in the below table.

Class	Name of The Programme	Out come
FE	TPO connect & Expert Seminars / Workshops	Student will be made aware about the - <ul style="list-style-type: none"> <li>⦿ Training &amp; Placement Cell &amp; its activities,</li> <li>⦿ Details of the visiting Companies &amp; their Eligibility Criteria</li> <li>⦿ Importance of Academic Marks / Percentage</li> </ul>
	Japanese & German Language Training	To enhance language skill
SE	TPO Connect, "Team Building & Motivational" Workshops	Students were trained for public speaking, group activity & SWOC Analysis
TE	Structured Training Programs (60 to 70 Hours) & TPO Connect	Training the students for Aptitude Test, MOCK Tests & Soft Skills
	HR Connect	Making the students aware about industry expectations
BE	TPO Connect, Company Specific Training	Preparing the Students for Placements / Mock Aptitude Tests / Mock Interview
	Programming skills. Post selection Training	Making our students industry ready

## Training & Placement Cell

Training and Placement Cell also organises the felicitation of students and their parents for getting selected through campus interview. Students are felcitated in their earlier schools and colleges in presence of their past teachers and students of that school. The objective of this feliciation is to acknowledge othe efforts of parents and earlier school tecahers in building the placed student and also to show him/her as role model to existing school.

**Institute resources for conducting the Training & Placement Activities:** Institute is having a fully dedicated infrastructure for conducting the training & placement activities of the institute. This dedicated infrastructure is spread over 5078 sq.ft area being named as “Dr. APJ Abdul Kalam Career Development Center” This center is having a two computer labs with 80 computers for conducting the campus placement activities. This center is also having separate Group discussion & Interview rooms. Dr. APJ Abdul Kalam Career Development Center is equipped with Video Conferencing facility & is fully connected with Wi-Fi.

## Student Training Programs

# Industry-Institute Interaction

## 1.0 Nasik IT Industry Leadership Summit in K K Wagh

Industry-Institute meet was organized in K K Wagh IEER on 28th August-2021 in K K Wagh. The objective of this leadership summit was to understand the industry expectations from IT leaders and there by designing a training program to make the K K Wagh students more industry ready. Mr. Arvind Kulkarni, GM, WNS and also Nasik IT Association (NITA) president was the chief guest and Mr. Arvind Mahapatra, CEO Netwin and also NITA Founder President was the guest of honor. Meeting was attended of around 24 IT industry leaders and also Academic Leaders of K K Wagh group of institutes and also Er Sameer Wagh, Chairman of K K Wagh Education Society.

Dr. K.N. Nandurkar, Principal of K K Wagh IEER, welcomed the industry leaders and presented the details about K K Wagh Education Society and its institutes, facilities available, academic performance and achievements of students, research and consultancy works carried out by institutes. Dr. S. S. Sane, HOD Computer Science briefed about the objectives of Summit and also new courses introduced by the institute. Dr. P. K. Shahabdar, TPO of K K Wagh IEER presented about Industry-Institute Interaction at K K Wagh IEER.

Around 24 industry leaders from Netwin, WNS Winjit etc have attended this meet. Also few K K Wagh Alumini who are CEOs have also participated. Profile of the participants includes: CEOs, Managing Director, Sr. Managers etc. Industry leaders shared their expertise based on the following themes: 21st Century Skills, Internship and Placement Opportunities, Centre of Excellence in institutes, Train the trainer, National Education Policy with industry perspective, Joint research. Industry leaders have appreciated the institute effort in reaching out IT industries of Nasik region.

## 2.0 Visit of CII (Confederation of Indian Industries) Team to K K Wagh

Mr. Sudhir Mutallik, Chairman, CII Maharashtra State Council and MD of Positive Metering along with Mr. Manoj Deshmukh, Plant Head, Caprihans India Ltd, Nasik, Mr. Ganesh Kothavade, VP, ABB, Nasik visited K K Wagh on 8th January-2022 to meet Hon Shri Balasaheb Wagh and congratulated him for becoming K K Wagh IEER an autonomous institute. He appreciated the journey of K K Wagh IEER from 1984 to 2022 in the leadership of Shri. Balasaheb Wagh.

Mr. Sriram Chairman, CII Maharashtra Council and MD of Enders Hauser, Aurangabad along with Mr. Robin Banerjee, Vice Chairman, CII Maharashtra State Council, MD of Caprihans India, Mr. Manoj Deshmukh, Plant Head, Caprihans India Ltd, Nasik. Visited K K Wagh on 29th April to inaugurate exhibition of students projects.

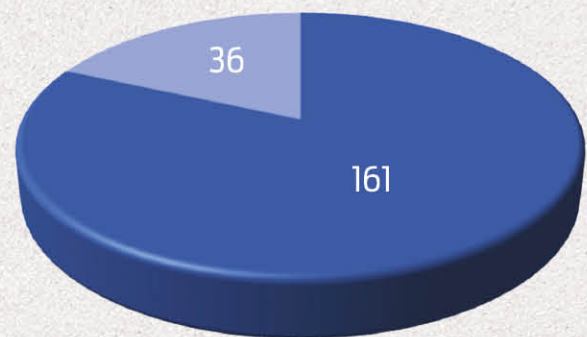

## 3.0 Participation in AIMA Index-2018

Ambad Industrial Manufacturers Association (AIMA) organized an industrial exhibition titled as "AIMA Index -2018" at Dongre Vasti Gruha Ground, Nasik during 18th to 21st January-2022. K K Wagh Education Society had a stall to showcase K K Wagh Education Society to corporate world and exhibit students' projects. Many Political leaders, CEOs, Plant Heads, Students, Alumini have visited K K Wagh Stall and appreciated the students' projects. AIMA Index -2022 President Shri Dhananjay Bhele appreciated the efforts of Er. Sameer Wagh, Chairman, K K Wagh Education Society for K K Wagh contribution in developing skilled manpower.

## 4.0 Visits to Industries

During the academic year 2021-22, K K Wagh team consisting of Principal, Deans, HODs TPO, T&P Coordinators and Senior Faculties visited around 197 companies with an objective of enhancing K K Wagh-Industry Interactions. Out of these 197 industries, 36 are the new industries with whom; K K Wagh wants to engage them in the coming days. Outcome of these industrial visits are Internships and Placement Opportunities, Expert Lectures, Industry Certification Courses and Establishment of Centre of Excellence and Joint Projects. The focus was on enhancing the existing relations and connecting with new industries. The idea was to get the inputs from industry leaders for enhancing capabilities of our students and making them more employable. Summary of Visits are as detailed in the below graphs.

Number of Industries

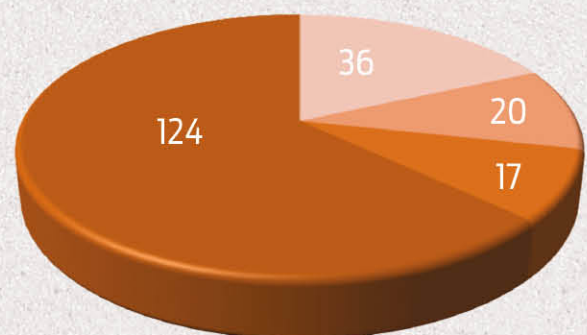

■ Our Existing Recruiters      ■ New Industries

Number of Industries visited by Faculties in the Academic Year 2021-22

Prominent industries visited includes: L&T Hydrocarbon, ABB Hitachi etc. During these visits K K Wagh team met with the Plant Heads, Talent Acquisition Head and Sr Managers. Every visit started with the presentation about K K Wagh by TPO of the institute. During this visit, alumini interactions were also held at the respective company with an objective of connecting to our Alumini.

# Placed Students of Academic Year 2021-22

# Entrepreneurship Development Cell (Start-up Club)

## Entrepreneurship Development (ED) Cell -

The Entrepreneurship Development (ED) Cell of the institute is established with the objective of promoting specialized training to facilitate Entrepreneurial skills. ED Cell organizes awareness programs and expert talks by experienced professionals to develop entrepreneurial skills among the students and to motivate them to choose entrepreneurship as a career choice.

Along with the ED Cell, Institute also have established Institution's Innovation Council (IIC), by MHRD, Innovation Cell, Start up and Innovation Cell by SPPU, Centre for Innovation, Incubation & Linkage and Industry Cell is formulated in collaboration with Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ), Germany and MSME. It is supported by GIZ-NIMA-IFC Innovation Project.

## Entrepreneurship & Startup Seminar

## International Facilitation Centre (IFC) -

Institute has a good established International Facilitation Centre which caters the needs of higher study abroad activities for the students.

The vision of the International Facilitation Centre is to develop global professionals by providing guidance to students for higher study abroad and to build reputation of the institute in the global educational context by collaborating with foreign universities.

The objectives of the IFC are summarized as follows,

1. To provide facility for effective counselling of students for higher study abroad.
2. To assist students in finding courses that are best suited to them on individual strengths, needs and aspirations.
3. To train and guide the students for learning foreign languages like German, Japanese, French etc.
4. To train & guide the students for the preparation of international competitive examinations like GRE, GMAT, TOEFEL, IELTS etc.

5. To expose the students to the lifestyle and abroad culture at study destinations from our Alumni Network.
6. To conduct student as well as faculty exchange programs with foreign universities
7. To motivate students for participating in international competitions at abroad
8. To identify the opportunities of international placements, internships and trainings for the students.

In the Academic Year 2019-20 IFC has stratd training of Japanese & German language.
