PROSPECTUS 2024-25

Vision, Mission & Quality Objectives

Vision

To be a valuable resource for industry and society through quality education and research in engineering and management

Mission

- Impart quality education by nurturing a conducive learning environment through continuous improvement
- Promote socially relevant research and development (R&D) in collaboration with industry and research institutes.
- Facilitate R&D based innovation to meet emerging needs of society.
- To equip the students with 21st century competencies and character qualities for their holistic development.

Quality Objectives

- To provide quality technical education through outcome based teaching learning process
- To motivate faculty for higher education & skill up gradation
- To facilitate the all round personality development of students through co-curricular, extracurricular and social activities
- To provide assistance for campus placement, higher education, entrepreneurship development and promote initiatives for Digital India / startup India
- To enhance industry institute interaction through training , testing and consultancy services
- Promote research and development activities among faculty and students to develop new technologies and generation of IPR facilitate technology transfer
- To strengthen the institute through alumni network

Welcome to the K K Wagh Group of Institutions - a hallmark of quality education for over 50 years and a responsible contributor to India's progress.

As Chairman of the K K Wagh Trust, I take pride in our enduring commitment to our founding principles. Quality education, in our belief, is the catalyst for societal prosperity and development.

Rooted in the vision of our esteemed founder, Late Shri. Kakasaheb Wagh, and passionately carried forward by our beloved Ex. President, Late Shri. Balasaheb Wagh (Bhau), K K Wagh has played a pivotal role in the development of rural India. Today, with over 29 institutes, we offer a diverse spectrum of programs, fostering the holistic development of children and youth in Nashik's urban and rural areas. We provide a wide array of courses encompassing Engineering, Pharmacy, Agriculture, School Education, Fine Art, and Performing Art. Additionally, our offerings include traditional Arts, Science, and Commerce courses, ensuring a holistic and inclusive educational experience.

Our belief in the transformative power of education is reflected in the success stories of our 23,000+ learners. Notably, our alumni continue to excel globally, leading teams in international corporations. When gauging K K Wagh's success, I reflect on two key attributes. Firstly, students with parents who graduated from our campus bear testimony to the enduring value we offer across generations. Secondly, the remarkable longevity of our members in the system speaks volumes about the lasting impact and commitment fostered within K K Wagh.

As we navigate the ever-evolving field of education, the proposed National Education Policy 2020 presents exciting opportunities. It calls for dedication, authenticity and innovation to develop skilled and valued citizens for sustainable development. K K Wagh, a pioneer of top-class institutions half a century ago, stands ready to lead the 21st century and implement the NEP. We invite you to join us in this transformative journey.

Experience and engage with the K K Wagh as we continue to contribute to nation development by building human capacity.

Warm Regards,

Sameer B Wagh

Chairman

K K Wagh Education Society, Nashik

Founder & Architect of K K Wagh

Late Shri. Balasaheb Deoram Wagh

Balasaheb Wagh alias Bhau

.... a symbol of DETERMINATION – DEVOTION-DILIGENCE

The late Shri. Balasaheb Wagh, alias Bhau (1932-2022), was a visionary, a great humanitarian and a quintessential reformer who has left behind an impeccable paradigm of selflessness and dedication. He devoted his life to uplift rural masses and made remarkable contributions in various fields including agriculture, social work, the cooperative sector, education, fine arts, sports, forestation and water conservation, to name a few.

He was born into the legendary family of Padma Shri Awardee Karmaveer Kakasaheb Wagh and Smt. Geetai Wagh. His personality blossomed in the influential company of his able father's reputable and progressive friends, associates and well-wishers, notably Karmaveer Bhaurao Patil, Dr. Panjabrao Deshmukh, Karmaveer Bhusaheb Hire, Padma Bhushan Awardee Vasantdada Patil, Karmaveer Dadasaheb Gaikwad, Krantisinh Nana Patil, Gyanpeeth Awardee Kavi Kusumagraj and grandfather Sayaji Wagh.

Shri. Balasaheb Wagh completed his graduation in agriculture from Government College of Agriculture, Pune and joined as an agricultural officer in Maharashtra Sugar Factory, Tilak Nagar, Shirampur, in the early 1960s. He served as a secretary at Sanjeevani Co-operative Sugar factory, Kopargaon. With his able management and people skills, Shri. Balasaheb Wagh soon climbed the ranks, becoming Managing Director at Niphad Co-operative Sugar Factory (Dist. Nashik, Maharashtra) and Chairman at K K Wagh Co-operative Sugar Factory, Ranwad (Dist. Nashik, Maharashtra).

He was associated with and worked for the betterment of various organizations, notably Nashik District Central Co-operative Bank, Deccan Sugar Technologists Association Pune, Deccan Sugar Institute (now called Vasantdada Sugar Institute (VSI) Pune, National Heavy Engineering Corporation Ltd. and Distillery Association of Maharashtra. He was instrumental in the establishment of the Niphad Taluka Grahak Mandal, Kakasaheb Nagar Grahak Sahakari Sanstha, Kakasaheb Nagar, Fruits and Vegetables Association, and Medical Trust at his village. He was elected as Director for Nashik District Central Co-operative Bank (NDCC) for the period 1980-1985.

Shri. Balasaheb Wagh pioneered the construction of 250+ irrigation weirs/bunds (Karmaveer Bandhare) in Niphad Taluka of Nashik District as a cooperative initiative during his tenure as President of Karmaveer Kakasaheb Wagh Sahakari Sakhar Karkhana Ltd. This has proved to be a boon to Socio-Eco upliftment of farmers in the region and provided a new model for water management for irrigated agriculture.

Considering his in-depth knowledge in the field of water resources, irrigation and the cooperative movement, the Government of Maharashtra and then Chief Minister included him in the Second Irrigation Commission of Maharashtra as a member in 1995. This commission was constituted under the chairmanship of Dr. Madhavrao Chitale, a world-renowned figure in the Water Sector and Stockholm Awardee. This commission submitted a detailed report which became the basis for long-term water

management planning of the state.

Being an environmentalist, utilizing his deep expertise and micro-level knowledge in geography and agriculture, he preserved more than a hundred varieties of the rarest tree species. Taking a step towards a safer environment, he initiated the idea of 'Eco-friendly Ganesha' almost a decade ago. This initiative has encouraged millions of other people to shift to eco-friendly practices and has significantly reduced the pollution of water bodies.

Owning a deep sense of inclination for the arts, he established the 'Kala Academy,' where he promoted Indian classical music among the youth and encouraged other art forms by inviting experts from all around the nation. Numerous experimental workshops for singing, drawing, painting, and sculpture were conducted, fostering creativity and artistic expression.

Inspired by the teachings and guidance of the late Padma Shri Awardee Karmaveer Kakasaheb Wagh, Shri. Balasaheb Wagh dedicated himself to establishing and elevating educational institutions to new heights of reputation and integrity. While serving as a Trustee, Vice-President, and President of K K Wagh Education Society since 1970, he played a pivotal role in the establishment of schools (CBSE & State Board) and colleges spanning diverse fields, including Engineering, Pharmacy, Agriculture, Fine Art, Performing Art, as well as traditional Arts, Science, Commerce, and Computer Science. He significantly contributed to the accreditation of Engineering Colleges and Polytechnics, consistently striving to enhance both quality and quantity by attracting proficient faculty and introducing new branches and disciplines. Shri. Balasaheb Wagh was a radical pioneer who walked the extra mile to ensure girls get into mainstream development. Being an alchemist in his approach, he strived for spreading the mark of K K Wagh across the globe with world class education system. His continuous efforts resulted in the establishment of nine campuses and thirty different institutes by 2022. Due to his rich experience in agriculture and love for nature, all campuses of K K Wagh Education Society metamorphosed into lush greenery in the form of rare varieties of floral biodiversity.

Shri. Balasaheb Wagh played a prime role in the establishment of the Association of Managements of Unaided Engineering, Polytechnics and Agriculture & Agriculture Allied Colleges in Maharashtra. Due to his work and commitment, he was elected unopposed as President of these three state-level Associations for 16 to 17 years. Through this, he brought around 700 unaided Professional institutes in the State of Maharashtra under the umbrella of these associations and worked relentlessly to solve their problems.

On the occasion of his 80th Birthday, then Chief Minister of Maharashtra felicitated and acclaimed Shri. Balasaheb Wagh as the 'Sage' and conferred upon him the title of the 'Torch-Bearer' for illuminating the lives of several thousand people through education. He received numerous prestigious awards including Krushi Jeevan Gaurav Puraskar, Jeevan Sadhana Gaurav Puraskar, Edupreneurs Award, Nashik Bhushan Puraskar, Samajratna, and Pitru Puraskar, in recognition of his valuable contributions to the social, agricultural and educational fields.

A prominent name in the fraternity who strived for the betterment of people, Shri. Balasaheb Wagh was a true Gandhian. He was very soft-spoken and wore the crown of simplicity, ensured that he wears and eats only local, believing in the concept of a self-sufficient village. A man of very simple living and high thinking, dedicated his life towards improving basics and worked tirelessly for 65 years to bring a difference in the lives of rural people. An ordinary man with an extraordinary zeal to serve society has reformed a million lives and engraved a permanent place in the hearts of every single soul he touched! A beacon of inspiration, he lived a vibrant and active life for 89 years, leaving behind a legacy that will be cherished and remembered for generations to come.

About K K Wagh Education Society

Padmashree Karmaveer Kakasaheb Wagh

Our inspiration

Late Shri. Ratansey Haridas Udeshi (Kakuseth)

K K Wagh Education Society is a leading educational trust in Nashik District. It was established in 1970 by the visionary leader Late Padmashree Karmaveer Kakasaheb Wagh. He realized the importance of education for upliftment of rural masses and started with a school in Niphad Taluka. The education society later on received a land of 23 acres from the well-known Philanthropist Late Kakuseth Udesi who was Director of Hansaraj Surji Charitable Trust, Nashik. It was utilized by K K Wagh Education Society to establish an ideal Technical Campus known as 'Hirabai Haridas Vidyanagari'. This picturesque Campus houses the Engineering College, Polytechnic and Pharmacy College. Later on the other educational institutes in the field of Agriculture, Agricultural Engineering, Education, Fine Arts, Performing Arts were started in the campus at Saraswatinagar, Nashik. English Medium Schools, Junior Colleges and CBSE Schools are also run by the trust in Nashik City and Niphad Taluka.

With the vision of empowering the youth through quality education, K.K. Wagh Education Society started colleges with faculties like Arts, Science, Commerce, Computer Science etc. at Nashik, Kakasaheb Nagar and Chandori. These colleges are useful for the children of farmers who were deprived of higher education due to non availability of colleges at their native place. A Pharmacy Institute was established in Pimplas (Ramache) village to provide professional education for rural students.

The objective of K K Wagh Education Society is to provide quality education at affordable cost. The quality culture has been developed in all the institutes. All institutes have State-of-the-Art laboratories with latest equipments, computers & internet connectivity. Other facilities provided to the students include gymnasium and sport facilities, hostels for boys and girls, mess and canteen, transportation facility etc. Highly motivated and qualified faculty engaged in teaching, research, consultancy, training, testing and designing is a major strength of all the institutes.

A small sapling planted by Karmaveer Kakasaheb Wagh has grown into a big tree with 29 branches with over 23000 students engaged in studies from K.G. to Ph.D. in the various fields. There are over 1900 dedicated employees following the Indian ethics and striving hard towards developing the World Class institutes. Over 50000 alumni members speared across the Globe are the brand ambassadors for K.K. Wagh Education Society.

Prof. Dr. K. N. Nandurkar
Director

The vision of founder trustees to provide quality technical education for the students with rural background was realized in 1984 after the establishment of this Engineering College at Bhausaheb Nagar. It was later on shifted to Nashik city and has become a land mark for excellence in technical education which is evident from ranking obtained by the institute at National level during the survey conducted by NIRF of MHRD, Government of India in 2016. This was the only institute from Nashik region to find place in the top 100 Engineering institutes of the country. Currently seven programme of the institute are accreditation NBA and Institute obtained grade 'A' from NAAC. This is the only Institute in SPPU area to get AICTE India lab sanctioned recently. This is the first Autonomous engineering institute in Nashik from A.Y. 2022-23. Now it has started implementation of NEP-2020.

K K Wagh Institute of Engineering Education and Research, Nashik offers ten UG, three PG (Engineering) and five Ph. D. programmes of Savitribai Phule Pune University, Pune with total intake of 1314 for A.Y. 2024-25. Besides engineering, the institute also conducts courses like MCA and MBA (with intake of 120 each) blending the technology with management. The objective is to develop engineers and technocrats who will contribute towards the development of society.

The faculty of this institute is actively engaged in research, consultancy, training and testing activities besides providing high quality academic inputs to the students. The strong interaction with industries has resulted in large number of sponsored projects along with opportunities for the students to join in-plant training and getting good jobs. Around 100+ Companies visit every year for campus placement. Institute was listed in the platinum category by AICTE-CII Industry linked Institute Survey for consecutive 4 years. Many students have topped the university exams and joined various prestigious institutes for higher studies in India and abroad.

Institute believes in developing overall personality of the students. Many extracurricular activities are organized throughout the year providing opportunities for students to exhibit their talents. After winning several awards at national level, some of the students have participated in international competitions. There is well maintained gymnasium with excellent sports facilities. Various tournaments are held in the institute premises and students are proud to represent the Savitribai Phule Pune university at national and international level.

We feel proud about the achievements of our alumni members in various fields of life and we are sure that the students passing out from this institute will be able to face any challenge successfully in the 21st century global competition.

Special Features of the Institute

- **Affiliation** : Permanently affiliated to S. P. Pune University.
- **Accreditation** : Accredited by NAAC With "A" Grade. 7 Programs Accredited by National Board of Accreditation (NBA), New Delhi.
- Recognized by AICTE-CII survey of Industry linked institute 2016, 2018, 2019 and 2020 : Platinum Category (highest).
- 1st Private College in the State to get Academic Affiliation from IET (UK).
- Only Institute under S. P. Pune University to get grant under AICTE-Idea Lab Project in the first phase.
- Recognized as top private institute by Digital Learning (2018).
- Winner of STEM award 2018 for Community Development.

Special Features of Autonomy

Theme: Developing Technically Sound, Industrially Competent and Emotionally Intelligent Students

Special Features

- Implementation of NEP2020 from A.Y. 2023-24
- Employability and Industry need based Curriculum for Holistic Development
- Innovative Teaching – Learning methods
- Degree Nomenclature: B.Tech. , M.Tech. , Major, Minor (Degree will be awarded by SPPU)
- Results within 2-3 weeks after exam.
- Transparency and Confidentiality in Assessment, Evaluation and Examination.
- Continuous assessment throughout the semester
- Implementation of Outcome Based Education (OBE).

Academic Reforms

- Student centric approach with cognizance of Cognitive, Affective and Psychomotor Domain.
- Liberal Arts and Humanities subjects for 21st Century Skills
- Foreign Languages in curriculum
- Courses on 'Engineering Exploration' and 'Campus to Corporate'

Sanctioned Intake (2024-25)

• Under Graduate Courses : (B. Tech)

Sr. No.	Name of Branch	Year of Establishment	Sanctioned Intake
1.	Computer Engineering	1984	120
2.	Electronics & Telecommunication	1984	120
3.	Civil Engineering	1985	120
4.	Mechanical Engineering	1995	120
5.	Electrical Engineering	1996	120
6.	Chemical Engineering	1999	60
7.	Information Technology	2001	120
8.	Robotics and Automation Engineering	2020	60
9.	Artificial Intelligence and Data Science	2020	120
10.	Computer Science and Design	2021	60
		Total Intake	1020

• Post Graduate Courses :

Sr. No.	Name of Branch	Year of Establishment	Sanctioned Intake
1.	M. Tech, Civil Engineering (Structure)	2007	18
2.	M. Tech, E & TC (VLSI & Embedded Systems)	2010	18
3.	M. Tech, Electrical Engineering (Power System)	2011	18
4.	MCA	2007	120
5.	MBA	2008	120
		Total Intake	294

- B. Tech programs (intake of 30 for each course) for working professionals from A. Y. 2024-25 (Electrical Engineering, Computer Engineering)
- Ph.D. Programme in Civil, Electronics & Telecommunication, Electrical, Computer and Production Engineering

Governing Body

Sr. No.	Name of the member	Designation

AICTE-IDEA Lab

K K Wagh Institute of Engineering Education and Research, Nashik

Dr. K. N. Nandurkar
Chief Mentor

Dr. Ravindra K. Munje and Dr. Padmakar J. Pawar
AICTE IDEA Lab Coordinators

The K K Wagh Institute of Engineering Education and Research is having well-established AICTE-IDEA Lab. The AICTE-IDEA lab is a scheme by the All India Council for Technical Education (AICTE) that started in 2020. In that year, only 49 institutions across India were awarded the AICTE-IDEA Lab after a rigorous selection process. K K Wagh Institute of Engineering Education and Research is the only institute in Savitribai Phule Pune University selected under the scheme in the first phase.

IDEA is an acronym for Idea Development, Evaluation, and Application. Under this initiative students are trained on 21st Century skills, teachers are trained in Teaching-Learning Processes, research, and projects, and students are encouraged for projects and internships. The total grant under this scheme is Rs. 1.1 Cr. In this 50% contribution is from the AICTE and the remaining 50% is from the Institute and Industry.

The purpose of the AICTE-IDEA Lab is to provide all advanced facilities under one roof for the conversion of an idea into a prototype. Students and faculty members are encouraged to take creative work and in the process, get training on critical thinking, problem-solving, collaboration, etc. which conventional labs are not able to do. The focus is on training students so that they become imaginative and creative. Students are also encouraged to work with faculty members on R&D projects and internships that involve the utilization of AICTE-IDEA lab facilities.

Being a special scheme of AICTE, the coordinator and coordinator of this lab were given special training at the renowned fab labs to make them aware of the scheme, its objectives, and outcomes. Further, the AICTE IDEA Lab Gurus are developed through specialized training. Thus we have now a team of self-motivated AICTE IDEA Lab Coordinators, Gurus and Student Ambassadors.

On getting autonomous status from AY 2022, the Institute has introduced a course on AICTEIDEA lab for F.Y. B. Tech students where they are exposed to machines like 3-D Printers, 3-D Scanners, Laser Cutting Machine, PCB Milling, Wood Router, Lathe machines, Drone programming, Arduino Programming, and AR/VR. At the end, students are encouraged to develop a project using the technologies that they have learned in the course.

The AICTE IDEA lab is open for all the students from 8.00 am to 8.00 pm and on demand it is also open overnight. Students from all disciplines are working on the various projects registered under the AICTE IDEA Lab. The AICTE IDEA lab is also conducting various events and activities, such as skilling programs, ideation workshops, professional skilling programs for students, faculty development programs, school teacher training programs, and training for industry professionals.

The AICTE IDEA lab is also visited by eminent industry professionals, academicians, and entrepreneurs to guide students and faculty members. We take this opportunity to invite you also to visit the AICTE IDEA Lab of our institute and explore the world of opportunities. Thank you!

Anti-Ragging Committee

Ragging in any form will not be allowed inside or outside of the college campus. Those involved in this activity will be severely punished and may be rusticated from the institute

Action against ragging -

Maharashtra Prohibition of ragging Act 1999 and prevention & prohibition of Ragging (Appendix 12 published in AICTE Approval Process. Handbook 2011-12) and their amendments which may be published from time to time. The Maharashtra Prohibition of Ragging Act 1999 is in effect from 15th May, 1999 has the following provision for action against ragging-

- ◆ Ragging within or outside of any educational institution is prohibited.
- ◆ Whosoever directly or indirectly commits, participates in, abets, or propagates ragging within or outside any educational institution shall, on conviction, be punished with imprisonment for a term up to 2 years and / or penalty which may extend to ten thousand rupees.
- ◆ Any student convicted of an offence of ragging shall be dismissed from the educational institution and such student shall not be admitted in any other educational institution for a period of five years from the date of order of such dismissal.

Nandur Naka, Dasak, Panchak, Sailani Baba Square - Chatrapati Shivaji Maharaj Nagar water tank, Bhim Nagar, Mahajan Hospital, Bytco Point, Vihitgaon, Anuradha Theatre Gandhi Putala, Sansri Naka, Bhagur, KKWIEER.

Route 2 : (Pune Road - KKWIEER) -

Aurangabad Naka, Janardan Swami Math, Jaishankar Garden, Kathe Lane, Siddarth Hotel Poornima Stop, Bhodhale Nagar Inox Theater, Mhasoba Mandir, Dutta Mandir Chowk, Bytco Point, KKWIEER.

Route 3 : (Highway - KKWIEER) -

Aurangabad Naka, Dwarka, Wadla Naka, Mumbai Naka, Dipali Nagar, Indira Nagar Jogging Track, Kamod Nagar, Lekha Nagar, Ashoka Business School, Rane Nagar, Hotel Seven Heven, Toyota Showroom, Pathardi Phata, Uttam Nagar, Upendra Nagar, Atul Dairy, Shubham Park, Vijay Nagar, Morwadi, Ambad Police Station, State Bank, Balbharati, Govind Nagar (Bogda), Satyam Sweets, Mumbai Naka, Dwarka, KKWIEER.

Route 4 : (CIDCO - KKWIEER) -

Dwarka, Sardar Circle, Gadgari Chowk, Chandak Circle, Tidke Colony, MICO Circle, Sambhaji Chowk, Nandini Pool, City Centre Mall, Dutta Nagar, Trimurti Chowk, Tejal Hotel, Dnyanada Classes, More Hospital, Subham Park, Ambad Police Station, Rane Nagar, KKWIEER.

Route 5 : (Indira Nagar - KKWIEER) -

Aurangabad Naka, Dwarka, Wadala Naka, Sahyadri Hospital, Nagji Chowk, Nasardi Bridge, Vinay Nagar, Sainath Nagar Chowk, Bapu Banglow, Rathachakra, Nashik Carmbrige School, Sawarkar Chowk, Indiranagar, Chatrapati Shivaji Maharaj Chowk, Guru Govind Singh Chowk, Church, Gajanan Maharaj Mandir, Sai Hospital, Metro Zone, Pathardi Gaon Circle, Pathardi Phata, KKWIEER.

Route 6 : (College Road - KKWIEER) -

Dwarka, Sardar Circle, MICO Circle, ABB Circle, Mahatma Nagar Water Tank, Parijat Nagar, Bhosala School Gate, Collage Road, BYK RYK Collage, Kulkarni Chowk, Canada Corner, Rajiv Gandhi Bhavan (Jain Hostel), Civil Hospital, Trimbak Naka, Gadgari Chowk, Dwarka, KKWIEER.

Route 7 : (Gangapur Road - KKWIEER) -

Nimani - Peth Naka, Makhmalabad Naka, Ashok Stambh, KTHM Collage, Marathon Chowk, Old Gangapur Naka, Vidya Vikas Circle, Prasad Circle, KBT Circle, Shahid Smarak Chowk, Jehan Circle, Anandwalli Signal (U Turn), Savarkar Nagar, Date Nagar, Ayodhya Nagari, Pramod Nagar, Horizon School Vise Chowk, Matimand Vidyalaya, Chopada Lawns, Ramwadi, Makhmalabad Naka, KKWIEER.

The four year engineering degree program named B. Tech (Computer Engineering) is a pioneer engineering degree program in the field of Computing. It has been offered by several Universities in India since the 1980s with different nomenclatures such as BE/B. Tech in Computer Science, Computer Science and Engineering, Computer Technology. The program is offered by our department of Computer Engineering which was established in the year 1984.

The program has been designed as per guidelines of NEP-2020 policy and Maharashtra State GR dated 4th July 2023 with effect from the AY 2023-24, that includes various course types such as Basic Science (BSC), Engineering Science (ESC), Program Core (PCC), Program Elective (PEC), Vocational Skill Enhancement (VSEC) courses and an Industry Internships to inculcate sound technical knowledge and skills. The Minor (MN) and Open Elective (OE) courses offer interdisciplinary knowledge, while courses on Research Methodology (RM) and Research Project (RP) have been included to inculcate research aptitude. The courses for Ability Enhancement (AEC), Value Education (VEC), Co-curricular (CC), Indian Knowledge Systems (IKS), Field Projects (FP) and Community Engagement Programmes (CEP) are aimed at holistic development of a learner. A learner can optionally earn 18-20 additional credits. Such students shall be rewarded with B. Tech Hon. or Research or Hon. with Double Minor Degrees. The program has a provision of multiple entry/exit. A learner may leave the program at the end of 1st and 2nd years with the award of UG certificate and UG Diploma by acquiring additional credits and can resume the program subsequently within a stipulated period. Learners shall learn certain courses in an online manner.

The B. Tech (Computer Engineering) program has core courses such as Programming (C, C++, JAVA, Python etc.), Algorithms, Data Structures, Graphics, Theory of Computing, Operating systems, RDBMS and NOSQL Databases, Computer Networks, Web and mobile application development, Software Engineering, Software testing, Data Science, AI, IoT, Cyber Security and program elective courses such as Image Processing, Compilers, Computer Vision etc.

The graduates of this program are in high demand in IT, ITES, Start-ups, Healthcare and other Industries, and work at various entry-level/junior positions such as software Developer/Engineer, Software Tester, QA Engineer, DevOps Engineer, ERP developer, Web, Mobile and IoT / Embedded System developer, Digital marketing and SEO professional, Hardware Engineer, Network Programmer, Network administrator, Cloud Solution Architect, Database Administrator, System Programmer, Software Project Manager, System Analyst, Software Architect, IT Consultant etc. with an attractive salaries.

Some of the key highlights of the department are

Curriculum as per NEP 2020 guidelines

Well-furnished Classrooms and labs with the latest configuration computer system.

Blend of Experienced and young faculty members

Opportunity for students for self-learning, self-development and lifelong learning through MOOCs and Industry Internships and Projects

Financial assistance for filing patents, MOOC Certifications, participation in Hackathons and other competitions, paper presentations in Conferences

Guidance, Counselling and Mentoring by Faculty mentors

Invited talks by Industry experts

Student Chapters by Professional bodies and students clubs

Placements for interested and eligible students

Alumni from last 30+ pass out batches are working In India and Abroad in leading industries with a few working at coveted positions

Accredited by AICTE-NBA

Students with higher merit at CET/JEE and Diploma seek admissions

BE (Computer) toppers for A.Y. 2022-2023

Rank	Name of the student	CGPA
1.	Kaklij Tanuja Baliram	9.76
2.	Bardiya Asmeeta Lalitkumar	9.74
3.	Dogra Kushal Rakesh	9.59

Overall Result of 2022-23 BE is 94.48%

The department of Electronics and Telecommunication Engineering (E & TC) was established in 1984. The department has dedicated faculty members who are experts in their own disciplines. The faculty aims at educating and training students with sound knowledge and awareness of the latest trends. Since its inception, the department has provided quality education to the students. A judicious mix of experienced and young faculty with a strong commitment to academics has created an ambience for learning.

The aim of the department is to provide technical education of the highest standard. The department has always been on a high growth path to keep pace with the ever increasing importance of the major discipline of study as current technology trends. The department is highly reputed for producing eminent engineers as professionals, researchers and entrepreneurs. The department is proud to collaborate with well-known industries in the sector.

The department has sufficient classrooms and state of the art laboratories, all of which are equipped with audio-visual teaching aids. The department is equipped with uninterrupted power supply and internet connectivity. The department also has a well-stocked library of its own.

The students are encouraged to actively participate and challenge themselves in the learning process. Students are continuously assessed to meet the AICTE and UGC guidelines and beyond. The department has an alumni association for continuous interaction with the past students. Our students have been placed across a wide spectrum of industries and organizations and have been well appreciated for their enthusiasm and skills. Some of our students are successful entrepreneurs.

Goals of the Department

The goal of the department is to ensure excellence in teaching and learning through defined academic processes, to enhance academic performance and placements of the students. The department students' association organizes the programs for overall development of the students. That is professional, technical skills and leadership, entrepreneurial qualities. The management encourages and facilitates faculty members to acquire higher qualifications and transfer their knowledge to students. To impart quality professional education in the area of electronic and telecommunication engineering to the global society is another goal of ours.

Research or Collaborative Activity

Department has received a DST sanctioned research grant under DST-DHI-TPEM (Technology Platform for Electric Mobility) for the project "Technology pilot for DC charging technologies for EV bus" in collaboration with PANVA Engineering Private Limited, Ambad, Nashik. Total project cost is Rs. 150.81 Lakhs. The project has received the best Industry Aligned Research Award by CSI, Mumbai Chapter. Research work with financial support from S. P. Pune University (SPPU) in the field of signal processing, VLSI and communication is also carried out in the department. The institute has been selected as a Centre of Excellence by Texas Instruments in collaboration with SPPU. Department is also has a center of excellence by Emerson Export Engineering center Nashik.

BE (E&TC) toppers for A.Y. 2022-2023

Rank	Name of the student	CGPA
1.	Mujumdar Shashwat Pushparaj	9.40
2.	Aher Om Ravindra	9.35
3.	Shrivastava Aditi Navneet	9.23

Overall Result of 2022-23 BE (E&TC) is 82.89%

BE (ELTX) toppers for A.Y. 2022-2023

Rank	Name of the student	CGPA
1.	Atal Sanskruti Laximant	9.31
2.	Shaikh Fardin Aziz	9.18
3.	Kariya Disha Kamlesh	8.79

Overall Result of 2022-23 BE Eltx is 83.33%

Department of Civil Engineering was established in the year 1985, approved by A.I.C.T.E., New Delhi, and affiliated to Savitribai Phule Pune University, Pune, and having an intake capacity of 120. The course was accredited three times (2003, 2012, and 2019) by the National Board of Accreditation (N.B.A.), New Delhi. The department also has a Post Graduate programme with a specialization in Structural Engineering, with an intake of 18 students. The department is an approved Research Centre of Savitribai Phule Pune University, Pune.

Civil Engineering Department is well equipped with state-of-the-art laboratories with modern equipment and separate computing facility with the latest licensed software such as STAAD – PRO, CASTER, NISA Civil, ANSYS (CIVIL FEM Ver.14.5), AUTODESK LAND DESKTOP 2005, AUTODESK CIVIL SOLUTION SUIT, GRAM++, Cognifront Teaching Software for Engineering Mechanics. The department has its own collection of books, reference material, projects, seminar reports, manuals, and I.S. codes in its departmental library.

The department is always actively busy in imparting excellent quality and value-based education to the students. The department offers guidance for competitive examinations like U.P.S.C., M.P.S.C., G.A.T.E., etc.

The department has so far received grants of Rs.7 lakhs and Rs.15 lakhs from A.I.C.T.E., New Delhi under the MODROB scheme. The department has highly modernized laboratories that cater to the needs of the local industry by carrying out testing and consultancy work. This work also generates funds for the Institute and provides exposure to overcoming field problems to our faculty members.

The department has a good track record of academic results. The results of the civil engineering department are better than the average University results consistently for many years.

The number of activities are well managed over a span of a year and is carried out from time to time. The students and the staff members are encouraged to participate in different seminars, conferences, workshops, and refresher courses in the fields of their own interest.

Department of Civil Engineering organizes two days National Level Technical Symposium F.O.R.C.E. (Festival of Revolutionary Civil Engineers) every year, which comprises of various Technical events like Bridge – O – Mania, Tower Power, Vision, Surveying – e – Everest, Fancy Buoyancy, Drama CAD Enza, Quiz, Reinforcement, Poster, Snap Hunt, and Fun Games based on Social Issues. These events are exclusively based on Civil Engineering related knowledge & activities. Every year F.O.R.C.E. creates awareness on Social Issues.

With a team of experienced, qualified, and devoted faculty, the Department of Civil Engineering is committed for academic excellence and the personality development of students.

BE (Civil) - toppers for A.Y. 2022-23

Rank	Name of Student	CGPA
1.	Pawar Prachi Hemraj	9.53
2.	Pawar Priti Sanjay	9.48
3.	Ahire Samrat Sunil	9.33

The overall Result of 2022-23 BE is 75.17 %

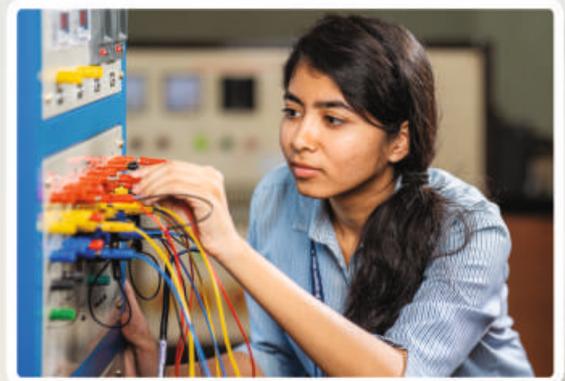

It gives me immense pleasure in welcoming, on behalf of the Department of Electrical Engineering, K K Wagh Institute of Engineering Education and Research, Nashik. Department was established in the year 1996, approved by AICTE, New Delhi and affiliated to Savitribai Phule Pune University (SPPU), Pune (formerly University of Pune) with a sanctioned intake of 40 for Undergraduate (UG). Later on, intake was increased to 60 in the academic year 1998-99. In the year 2003, the Department of Electrical Engineering was accredited by the National Board of Accreditation (NBA), AICTE, New Delhi for 3 years. To accelerate Research and Development (R&D) activities, the department started a Postgraduate programme in Electrical Engineering with Control System specialization with 18 intake in 2007-08 and a recognized Ph.D. Research Center in the year 2008-09. In the year 2011, the department started a second shift UG programme with increased strength of 60 students and started a new post-graduate programme in an Electrical Power System with a sanctioned intake of 18. In the year 2011, the UG programme of the Department of Electrical Engineering was again accredited by NBA, AICTE, New Delhi for 3 years. With the constant efforts and thrust for continuous improvement, the department (both the UG shifts, i.e. divisions) is once again accredited by NBA in 2019. Later, the accreditation is extended for next three year in 2022. Currently, the department is having two UG divisions, PG Power System and Ph.D. Research Centre. Department is also sanctioned with the course for working professional.

Department is very proactive in organizing workshops, seminars, conferences funded by various funding agencies as well as self-supported in the area of power quality, energy management and audit, condition monitoring of electrical equipment, advanced topics in control system, Research Talks, recent trends in switchgear, MATLAB, ETAP, PSCAD, Robotics, Emerging Trends in Smart Grid and software training every year. One of the mega-events organized by the department is the National Level Working Model Contest and Project Exhibition 'IETKARMVEER EXPO', supported by the Institution of Engineering and Technology (IET-UK). Around 500 to 600 students participate every year in this event.

The students of the department have also presented papers, participated in various National level events, and won the prizes. The academic results at various university examinations are excellent. Many students of the second year, third year, final year topped the university examination with rank 1 to 11. In the last five years, there are around 22 University rankers including 3 Gold medalist. The Department has the IET (UK) Young Member Section (IET OnCampus), IEEE student chapter and a student body 'EFFECT' through which various events are conducted for all-round development of students. These events include expert lectures, workshops, technical tours, industrial visits, Soft Skill workshops, poster and mini-project competitions, school seminars, etc. Many multinational companies come to conduct campus placement interviews and around 60 to 80% of the students get campus placements. The number of students going for higher studies also significant.

Department of Electrical Engineering aims to establish a center of excellence in various areas of electrical engineering such as power quality, energy management, audit, conditioning monitoring and to offer value-added services to industries as well as society.

BE (Electrical) toppers A.Y. 2022-2023

Rank	Name of the student	CGPA
1.	Barhate Piyush Bharat	9.47
2.	Tungar Sayaji Rajendra	9.36
3.	Shirsole Abhishek Devendra	9.27

Overall Result of 2022-23 BE 81.46%

Department of Mechanical Engineering was established in 1995 and has emerged as a popular branch amongst students. Mechanical Engineering course has received autonomy in 2022-23 affiliated to Savitribai Phule Pune University, Pune and is approved by AICTE, New Delhi. National Board of Accreditation (NBA), New Delhi has accredited this course twice. Department is equipped with the state of art equipment and Laboratories with excellent computational facilities including professional software packages such as AUTOCAD, CREO, ANSYS, MATLAB, MASTERCAM, Automation Studio Software. The University results speak of the excellent academic performance of the department. We are also equally active in co-curricular activities through Mechanical Engineering Students Association (organizing Expert lectures for technical subjects and personality development), KK MOTORSPORTS CLUB (Design and Development of Automobiles), SPOTLIGHT (organizing competitions for personality development etc.

The department has highly qualified faculty with their Masters and PhD from reputed institutions like IIT and NIT. Specialization both in Thermal and Design streams exists in department which is reflected in research projects carried out by the faculty. Department has successfully organized the Workshops, Expert Talks & Webinars on CREO, ANSYS, Advances in Heat Transfer, Design & Development of Prototype, Importance of condition based maintenance in industry 4.0 for Engineering Faculties and Students. The students of the department have participated in various National level events and won prizes. Many students of our department have secured top ranks in university examinations. For overall development of students various expert lectures, workshops, technical events, industrial visits are organized in various areas of Mechanical Engineering. Many national and multinational companies visit to conduct campus placements. Our alumni are also placed in various prestigious organizations like Bosch, Mahindra, FinIQ, TCS, Infosys, Crompton Greaves and many more. Department of Mechanical Engineering offers testing consultancy and training services in area of Mechanical Design, Vibration, Renewable Energy sources and Energy Audit and management. It aims to establish center of excellence in various areas of Mechanical Engineering such as Design, Refrigeration and Air-conditioning , Energy Management and Audit ,Computational Fluid Dynamics , Finite Element analysis, Optimization to offer value added services to industries as well as society.

Achievements and Awards:

1. Team Brahmastra Quad secured All India Rank (AIR) 1st with 1.13 lakh Rupees of Cash Prizes, They also won 11 different prizes of various categories in the 9th Quad Torc Competition organized by ISNEE Motorsports Private Limited held at Sagar Institute of Science Technology and Research, Ratibad Campus, Bhopal, Madhya Pradesh From 3rd to 7th August 2023.
2. Team Nikola Secured Overall Performance (A.I.R) First place, Best Design (A.I.R) Third place in Dr. G. Padmanabham Memorial Electric Two Wheeler Design Competition 2023, held at Rajlaxmi Engineering College, Chennai on 22nd & 23rd July 2023.
3. Team Brahmastra Racing secured All- India- Rank 7 along with successfully securing 1st runner up in Validation Event, 1st runner up in Technology Innovation.
4. Final Year Project entitled "Design & Development of Sieve Mechanism for Seed sowing Machine use in Agricultural" under the guidance of Dr. Vilas K. Matsagar Secured first prize in LaghuUdyog Bharti, Nashik organized Engineering Talent Search Engineer's Day 2022

BE (Mechanical) toppers A.Y. 2022-2023

Rank	Name of the student	CGPA
1.	Surana Pradip Sham	9.70
2.	Sandhan Shubham Pandurang	9.38
3.	Ingale Rohit Shyamrao	9.31

Overall Result of 2022-23 BE is 85.87%

Chemical Engineering

The department of Chemical Engineering was established in 1999 with an intake capacity of 60. The department is accredited by NBA, AICTE, New Delhi. It has an extremely dynamic faculty and well experienced supporting staff having strong research interests in conventional & emerging areas of Chemical Engineering. The department believes in continuous up gradation of the knowledge of the faculty and has been sponsoring the faculty for the post-graduation and research programs from last few years. It has nine state-of-the art laboratories having the equipment worth of Rs. 76.60 Lakhs. The department has adequate number of computers with latest configuration and internet facilities. The department provides excellent computational facilities including professional software's such as UNISIM, CHEMCAD, ZWCAD, ESPOIR SMART INTERVIEW SIMULATOR and MATLAB to the faculty and the students. In addition to this the department has its own library with 410 books and Chemical Engineering encyclopedia. The department motivates the students to participate in various national events such as Project Exhibition, Paper Presentation, Model Making and Sports Competition. Many students have also received prizes. The department has a good track of record of academic results. Students of the department secured top ranks at university examinations & achieved success in GATE, GRE & other examinations. The students of the department have been recruited in the top national & international chemical industries & contributing an important role in them.

The Department has established students' association named ACES (Association of Chemical Engineering Students). ACES organize Seminars, Workshops, Cultural Programmes, Expert Lectures on various topics like Personality Development, Preparation for Competitive Examination, study abroad etc. The association provides a strong platform for overall development of the students. A national level technical event "CHEMFEST", in the month of march every year. This event provided a platform for active interaction of students to bring innovative ideas in the Projects & Model Making in Chemical Engineering.

The department is proactive for good industry institute interaction. Department has signed MoUs with various industries for mutual benefit. Various experts from the industry are invited and industrial visits are organized every year regularly to bridge the gap between theory and practice. The department organizes in plant training for all second & third year students every year in various eminent industries such as BPCL, HPCL, IOCL, Reliance, RCF, Biocon etc. Most of the final year projects get sponsorship from industry.

BE (Chemical) toppers for A.Y. 2022-2023

Rank	Name of the student	CGPA
1.	Gajare Abhijeet Mahendra	9.51
2.	Ghuge Ranjan Chandan	9.48
3.	Patil Sakshi Vinod	9.34

Overall Result of 2022-23 BE is 92.04 %

The Department of Information Technology was established in 2001 with an intake capacity of 30, increased to 60 students in 2002 and now in 2023 it is increased to 120 students.

The department boasts outstanding computing facilities, comprising eight state-of-the-art software and hardware laboratories. These labs are furnished with a total of 238 computer systems featuring cutting-edge hardware configurations and software tools. Additionally, a dedicated Language Lab has been established, equipped with essential training software to foster the development of soft skills.

Professor Dr. Preeti Bhamre leads the department alongside a committed team of faculty members. The faculty members demonstrate their expertise not only through effective teaching but also by publishing papers and authoring various technical books. The department prioritizes the seamless execution of teaching-learning, and evaluation processes. During lectures, all instructors incorporate innovative ICT tools like MKCL's LMS and LearniCo to actively engage students. To ensure comprehension of engineering concepts, teachers encourage students to respond to questions posed through MKCL's LMS and LearniCo. The faculty members have invested substantial efforts in crafting challenging questions to stimulate curiosity among students.

The students of the department are placed in renowned companies like Accenture, Capgemini, Persistent Systems, Tata Consultancy Services, L&T InfoTech, Infosys, Amdocs, Dark Horse Digital solution, Wipro, GSLabs, ESDS, Winjit and others. Final Year students presented their Project work in several conferences/ journals like International Journal of Creative Research Thoughts, Communication and Green Engineering (CCGE21), International Journal of Innovative Research in Computer and Communication Engineering. Students have secured position in merit list at University level. Ms. Mitali Bafana and Mr. Sahil Walzade (2021 batch) secured 1st position in the University merit list of First Year. Apart from these two, there were 14 students securing first 10 ranks in University merit list of First year. Mr. Chopada Vinay (2022 batch) secured 10th position in the University merit list of Second year. Ms. Rupali Chaudhari (2012 batch) secured 2nd position in the University merit list of final year and Ms. Mrunmayee Kulkarni (2014 batch) secured 9th position in the University merit list of third year. The final year result of academic year 2022-23 was 92.77% and the topper was Ms. Nankar Pranjal with a CGPA of 9.49.

The 'Itecon Club' is an active student chapter within the department, dedicated to enhancing overall student development through technical events, workshops, and certificate courses like "Essentials of Java," "Web Development Using PHP and MYSQL," and "Python Programming." The department conducts proactive workshops covering diverse subjects such as Information Security, Oracle Database, IT Project Management, C++, and Internet of Things, providing valuable platforms for skill enhancement. Industry experts from organizations like Barclays, PSPL, ESDS, Credence Core, Excise Department, EPCOS, Assam Rifles Shillong, and Dreamwares Technologies actively engage with students through seminars, workshops, and sponsored project guidance. This ensures students gain practical exposure and insights, fostering a bridge between academia and industry. Students of Final year published the patent on "Estimation of Parameters and Error Prediction for Instrument Transformer using Machine Learning"

The Itecon club has been organizing a national level event technical symposium 'ITiazza' comprising of CPU assembling, paper presentation competition, C-programming, Web designing contest and technical seminars and has been receiving overwhelming response each year.

BE (IT) toppers for A.Y. 2022-23

Rank	Name of the student	CGPA
1.	Nankar Pranjal Yogesh	9.49
2.	Shaikh Afreen Mehmood	9.40
3.	Menkar Pranit Dilip	9.39

Overall BE Result of 2022-23 is 92.77%

The Department caters to science subjects for the first year & second year of engineering viz Engineering Mathematics, physics, and chemistry. The department has two state-of-the-art laboratories with equipment worth 39 lacs. The department, headed by dedicated faculty members expert in their disciplines. The faculty aims at educating and training first-year engineering (F.E.) students with sound knowledge. The First-Year Engineering Students Association (FESA) organizes various programs for F.E. Students and also helps in social organizations for the blind and disabled financial support to poor family background students, ISTE membership for topper students.

Students Activity

1) Induction program

The department conducts two weeks Induction program for the fresh entrants to first-year engineering, in line with the AICTE requirements. The objective of this program is to acclimatize the students to the new environment and get them acquainted with the institutional culture. The induction program comprises of interesting activities like the introduction of K K Wagh Education Society, Experiences of Alumni of all departments, right understanding of their department etc.

2) Grooming Budding Engineers

The department is enthusiastically involved in conducting multiple activities like counselling sessions, parent-teacher meet, guidance program, poster presentation, essay competitions and seminars on soft skills for F.E. students. The aim is to create awareness among FE students about engineer's role and responsibility in society and to inculcate creativity, thinking ability, troubleshooting & positive attitude among them.

Research Activity

The department has completed the university research projects in Physics and Chemistry. Department regularly conduct research seminars & workshops. The department has 6 faculties with Ph. D. Qualification and two Faculties are pursuing Ph.D. programs.

The department signed a MoU with the Korea National University of Transportation, South Korea with the scope of collaborative research, students exchange program, and faculty exchange programs. Faculty interest in the research is reflected in 30 publications in national & international journals with active participation in 25 international conferences. The department has active involvement in solving scientific & societal problems in the area of functional Nanomaterial. This reflects in the promotion of creative thinking and problem-solving approach of the F.E. students. The department has identified an emerging research area nanotechnology & advanced material for establishment of a established incubation lab at the innovation centre.

Welcome to the Department of Robotics and Automation Engineering. The department is established by the Institute from A.Y. 2020-21 with a UG program of intake capacity of 60. This program is approved by AICTE, New Delhi and Affiliated to the Savitribai Phule Pune University. The department of Robotics and Automation Engineering is established to meet the growing demand for trained engineers in the field of Robotics and industrial Automation. Robotics and Automation Engineering is a cross functional discipline that requires sound, proportional knowledge in hardware as well as software development and their applications. In the present era of mass customization, industries have to produce personalized product in large quantities and at lower cost. This has led to real time scheduling which can be performed only by machines and robots. Hence there is a great requirement for robots. However, presently the use of robots in Indian industries is very limited as compared to other Asian powers. Thus to remain competitive in the market, Indian industries will have no choice other than to adopt the advanced technologies of Robotics and Automation. Therefore there will be a huge need for robots and thereby robotics engineers in near future.

Robotics and Automation combines design, construction, operation, and application of robots coupled with computer-based control systems, sensory feedback, and information processing. The design of a robotic system puts together principles of mechanical engineering, manufacturing engineering, electrical/electronic Engineering, and Computer engineering. An undergraduate degree in Robotics and Automation Engineering specialization will enable students to serve the Industry requirement for implementation of new and smart technologies covering methods of synthesis, analysis and optimization of newer robots and mechanisms. Robotics & Automation Engineering involves design development and up-gradation in terms of automating products, systems and processes in every walk of human life. The graduate of this course will find ample opportunities to work as Robot design engineer, robot programmers, robotics system engineer etc. in the field of industrial automation, manufacturing, agriculture, mining, aerospace, healthcare and defense.

The department has a well-qualified, devoted and experienced faculty. Department is well equipped with state-of-the-art equipment and Laboratories like Robot operating system Lab, Humanoid Lab, Robot Simulation lab, Automation Lab, Embedded system lab, Mechatronics Lab, Computer Aided Manufacturing Lab with excellent computational facilities including professional software packages, such as Ubuntu ,MATLAB, Solid Works, Debots, robot simulator etc. Workshop lab is also well equipped with state of the art machines including CNC, VMC, laser beam machining, 3D printing and other industry grade machines.

The department also has a Robotics club and SARA (Students Association of Robotics & Automation) Club. Under these clubs, the Department organized different activities like robot making workshops, skill development programs etc. to make students Industry ready.

TE toppers for A.Y. 2022-23

Rank	Name of the student	CGPA
1.	Aher Prathamesh Arun	9.71
2.	Jathe Krutika Deelip	9.55
2.	Rajput Tejaswini Deepak	9.55
3.	Zambare Rohit Jayant	9.48

Overall TE Result of 2022-23 is 67.12%

The four years engineering degree program named B.Tech (Artificial Intelligence and Data Science) is a degree program in the field of Computing. It is been offered by several universities in India in the late 2020s with different nomenclatures such as Artificial Intelligence and Machine learning, Computer Science and Engineering (Artificial Intelligence (AI) and Data Science), etc. The program is been offered by our department of Artificial Intelligence and Data Science that was established in the year 2020.

The department is headed by prof. Dr. S S Sane with his graceful experience of 32 years in teaching. The department has qualified, devoted team of teaching members. Faculty members and the students have presented/published papers in National/International conferences, National/International journals and won prizes.

The program has been designed as per guidelines of NEP-2020 policy and Maharashtra State GR dated 4th July 2023 with effect from the AY 2023-24, that includes various course types such as Basic Science (BSC), Engineering Science (ESC), Program Core (PCC), Program Elective (PEC), Vocational Skill Enhancement (VSEC) courses and an Industry Internships to inculcate sound technical knowledge and skills. The Minor (MN) and Open Elective (OE) courses offer interdisciplinary knowledge, while courses on Research Methodology (RM) and Research Project (RP) have been included to inculcate research aptitude. The courses for Ability Enhancement (AEC), Value Education (VEC), Co-curricular (CC), Indian Knowledge Systems (IKS), Field Projects (FP) and Community Engagement Programs (CEP) are aimed at holistic development of a learner. A learner can optionally earn 18-20 additional credits.

The program core courses include core courses from B. Tech (Computer Engineering) such as Programming (C, C++, JAVA, Python etc.), Algorithms, Data Structures, Graphics, Operating systems, RDBMS and NOSQL Databases, Computer Networks, Web application development, Software Engineering, Software testing, Data Science, AI, IoT, Cyber Security and program elective courses in emerging areas such as Natural Language Processing (NLP), Business Intelligence (BI), BIG Data, Data Analytics, Deep Learning, Artificial Neural networks, Large Language Models (LMM) etc.

Student Chapter

On 29th April 2023, the Department of Artificial Intelligence and Data Science organized "CELESTRA 2k23", a National level Technical Symposium in K.K.W.I.E.E.R, Nashik .The Event was inaugurated by Ms. Shilpa Shetty (Manager, Datamatics Bupa, Nashik) and Mr. Ganesh Jadhav (Software Quality Analyst, Kleton Tech, Gurgaon) along with Head of Department Prof. Dr. S. S. Sane. As part of "CELESTRA 2k23", a variety of competitions were held, including a Debate Competition, A UI Design Competition, and an Innovative Idea competition. 300+ students from different colleges all over Nashik participated in the various events of "CELESTRA 2k23". The competition was judged by eminent Judges from a variety of industries and colleges. The event was organized by the Phoenix Club of the Department of Artificial Intelligence & Data Science. The event was a great success due to active participation and teamwork.

The four years engineering degree program named B. Tech (Computer Science and Design Engineering) is a degree program in the field of Computing. It is a unique offering by SPPU and ours is one of the few Institutes in India offering this program from the AY 2021. The program is been offered by our department of Computer Science and Design Engineering which was established in the year 2021. In the landscape of emerging technologies, such as augmented reality (AR), virtual reality (VR), and artificial intelligence (AI), the integration of design principles and technical skills is particularly valuable.

The program has been designed as per guidelines of NEP-2020 policy and Maharashtra State GR dated 4th July 2023 with effect from the AY 2023-24, that includes various course types such as Basic Science (BSC), Engineering Science (ESC), Program Core (PCC), Program Elective (PEC), Vocational Skill Enhancement (VSEC) courses and an Industry Internships to inculcate sound technical knowledge and skills. The Minor (MN) and Open Elective (OE) courses offer interdisciplinary knowledge, while courses on Research Methodology (RM) and Research Project (RP) have been included to inculcate research aptitude. The courses for Ability Enhancement (AEC), Value Education (VEC), Co-curricular (CC), Indian Knowledge Systems (IKS), Field Projects (FP) and Community Engagement Programmes (CEP) are aimed at holistic development of a learner. A learner can optionally earn 18-20 additional credits. Such students shall be rewarded with B. Tech Hon. or Research or Hon. with Double Minor Degrees. The program has a provision of multiple entry/exit. A learner may leave the program at the end of 1st and 2nd years with award of UG certificate and UG Diploma by acquiring additional credits and can resume the program subsequently within a stipulated period. Learner shall learn certain courses in an online manner.

The program core courses include all core courses from B. Tech (Computer Engineering) such as Programming (C, C++, JAVA, Python etc.), Algorithms, Data Structures, Graphics, Operating systems, RDBMS and NOSQL Databases, Computer Networks, Web application development, Software Engineering, Software testing, Data Science, AI, IoT, Cyber Security and program elective courses such as Augmented Reality, Virtual Reality, UI/UX, 3D Graphics, Animation, Gaming etc.

The graduates of these programs are high in demand in IT, ITES, Start-ups, Healthcare, Manufacturing, gaming, Graphics, Animation and other industries, Education and Government organizations and they work with an attractive packages not only at various entry-level/junior positions offered to BE/B. Tech (Computer Engg. / IT) graduates such as software Developer/Engineer, Software Tester, QA Engineer, DevOps Engineer, ERP developer, Web, Mobile and IoT / Embedded System developer, Digital marketing and SEO professional, Hardware Engineer, Network Programmer, Network administrator, Cloud Solution Architect, Database Administrator, System Programmer, Software Project Manager, System Analyst, Software Architect, IT Consultant etc. but also for various new entry-level/junior positions such as AR/VR Developer, Multimedia Developer, E-Content Developer, Game developer, Graphics designer, Front-end designer, full-stack designer, UI/UX designer, Brand Identity Designer, Interaction Designer, Data Visualization designer, Information Architect, UI/UX Architect, Creative technologist, Information technologist, User Researcher to name a few.

Some of the key highlights of the department are

- ◆ Curriculum as per NEP 2020 guidelines
- ◆ Well-furnished labs with Computers of latest configuration and required Software
- ◆ Blend of Experienced and young faculty members
- ◆ Opportunity for students for self-learning, self-development and lifelong learning through MOOCs and Industry internships and Projects
- ◆ Financial assistance for filing patents and MOOC Certification
- ◆ Guidance, Counselling and Mentoring by Faculty mentors
- ◆ Invited talks by Industry experts
- ◆ Student Chapter by Professional bodies and students clubs
- ◆ Placements for interested and eligible students
- ◆ Students with higher merit at CET/JEE and Diploma seek admissions significantly to the fields of information and digital media.

Scholarship/ Freeship

The Scholarship and Freeship facilities are extended to all eligible candidates as per the norms of Social Welfare, Tribal Welfare Departments and DTE. PTW/STW facilities to eligible candidate are extended, if provisioned by the Zilla Parishad, Nashik. Necessary help is extended to all eligible students for getting scholarships under the scheme such as Rajarshi Shahu Maharaj Scheme, Prime Minister Special Scholarship Scheme etc.

Central Network Department and Internet Access

This department provides the internet Access requirements throughout the institute as well as campus- wide network connectivity throughout the campus (including academic & administration department, hostels, Principal quarter etc.) User Account and Bandwidth are managed with the help of Cyber firewall. The Institute has a campus-wide fiber optic network with High/End Central Core switch at the Central Network Centre. Distribution Core Switch is being utilized at primary distribution centre which caters approximate 6000 users. Almost the entire campus is covered by LAN.

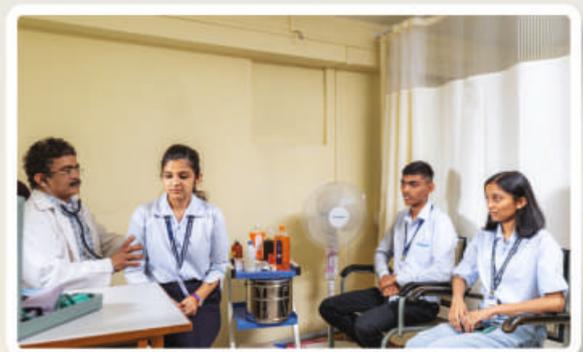

Wireless connectivity has already been deployed at Campus (all Departments, Labs, Library, Classrooms, Hostels, and Canteen etc.) which are centrally controlled from Central Network Centre. Users including students and staff members are provided individual login-ids for e-mail, internet browsing & general purpose programming.

The internet access to the Institute is also available from various vendors and provides 1GB and 500 MBPS internet bandwidth. Central Network Centre provides services to Training and Placement section of the Institute to conduct on-line test in campus recruitment process of UG, PG, Engineering, MCA and MBA students. This Center provides internet facilities for major National & International Conferences, Centralized Admission process, University online exams etc.

The Central Network Centre has Rack Servers on which variety of different purpose servers like WEB Server, DATA Server, and application server etc. are hosted for ERP purpose. Servers for Tally, Gate Exam Software, NPTEL videos are also available. Authorized copies of almost all common software and application software's are housed in these servers.

Built up Area

Sr. No.	Particulars	Area (Sq. M)
1.	Institute Building	32199.77
2.	Hostel and Mess	6780.41
3.	Principal Quarter	112.50
4.	Guest House	719.59
5.	Co-operative stores	250.00
6.	Gymnasium	567.00
7.	Canteen	150.00
8.	Workshop	1076.00
9.	Building Area with ACC Roof	270.00
	Total	42125.27

Kusumagraj Central Library

Kusumagraj Central Library at the K K Wagh Institute of Engineering Education and Research Nashik is privileged to support the institute in fulfilling its vision. It strives to connect faculty and students to knowledge and thereby strengthen the aspirations on expectations of the research and teaching work at KK WIEER Nashik, The Kusumagraj central library, one of the largest libraries in engineering and technology in Nashik is truly a knowledge hub K K Wagh Educational Society. The library is housed in an independent three storied building with a carpet area of over 1482.2 Sq. Mt and is located in the central part of main building.

Resource Collection users can access full text journals and several important bibliographic databases one internal network. Library resources are also made available to alumni members and industry personnel.

1.	Total No. of Books	- 95,621
2.	Total no. of journal/ magazines	- 165
3.	Total No. of E-Books	- 15,32,378 Tech. E-books
4.	Name of E-resources	- IEEE, ASME, ASCE, Science Direct, ACM, J-gate (MBA), Swayam, NDL, DELNET, NPTEL (Video Lectures), Springer E-books, World E-Book Library, D-Space (IR), BENTHAM-SC Collection
5.	Total Expenditures of Book	- 2.8 Crore
6.	Library area	- 15,954 Sq. ft.
7.	Memberships of other Libraries	- ARAI, Pune, DELNET, New Delhi; SPPU Regional center, Nashik
8.	Other Facilities	<ul style="list-style-type: none"> - Remote access E-Resources through knimbus platform - Kindle E-Book reader facility / KIBO: multilingual scanning and reading devices for visual impaired. - Book bank facility for SC/ST Students & Extra books for Advance Learner Students. - User tracking facility (UTS). - D space : Institutional repository software - UV-C Disinfection Unit; sanitization machine for preventive measure against COVID-19.

The library has developed an excellent collection of Technical books, Indian and International journals and non-book material in Engineering, Technology, Management and Social Sciences and general reading books: It. maintains separate section for Social Welfare department book bank Scheme, Periodical section, bound volumes of journals, online or E-Book, journals collection, compact disks and educational videos.

Institute is having a fully dedicated infrastructure for conducting the training and placement activities of the institute. This dedicated infrastructure is spread over 5078 Sq.Ft area being named as “Dr. A P J Abdul Kalam Career Development Center” This center is having computer labs, separate Group Discussion Rooms, Interview Rooms and is also equipped with Video Conferencing facility and is fully connected through Wi-Fi.

In K K Wagh students are trained from First to Final Year Engineering with an objective of making them more industry ready. Training includes both Technical Skills as well as Soft Skills. The Institute has Entrepreneurship Development Cell and it organizes expert lectures and workshops by inviting industry experts and professionals to motivate the students to take up Entrepreneurship as a career option. Many of our alumni have taken up Entrepreneurship as career. Institute also started German and Japan Language coaching classes for enhancing their employability skills.

Every year, around 150+ reputed companies are visiting to institute regularly to conduct the campus interview. Our recruiters includes: MNCs, Governmental Organizations, Foreign Companies and Small and Medium Scale Industries. Students of K K

Wagh have been placed in very reputed companies like : *Arcelor Mittal Nippon Steel, Bharati airtel, Glatt Systems Pvt. Ltd, Burns and McDonnell, NVIDIA, TCS, Crompton Greaves, Wipro Technologies, Persistent Systems, Infosys, L&T InfoTech, IBM, KPIT Technologies, Emerson, BOSCH, JSW Steel, Bridge Stone, Goodyear Tyre, Fedral bank etc.* The average package of campus recruitment is around Rs. 5.95 lacs per annum with maximum of 22.0 lacs per annum. Eight Third year students of Computer Science and Design, IT, Mechanical and Civil students did their internship in Dubai and they were paid stipend also.

The institute maintains a cordial relationship with the industries and local industrial organizations like Nashik Industrial Manufacturers Associations (NIMA), Ambad Industrial Manufacturers Associations (AIMA) and Confederation of Indian Industries (CII) and invites them for HR connects and HR summits for enhancing industry institute interactions for molding the students to industry needs.

Highlights of the Training activities

T&P cell conducts TPO connect, HR Connect and other training programs from First to Final Year students to groom them meticulously for their campus selection process. The training flow from FE to BE is as detailed in the below table

Class	Name of The Program	Out come
FE	TPO connect and Expert Seminars / Workshops	Students are made aware about - <ul style="list-style-type: none"> • Training and Placement Cell and its activities, • Details of the visiting companies and their eligibility criteria • Importance of Academic Marks/Percentage
	Foreign Language(Japan, German etc)	To enhance the employability skills
SE	TPO Connect, “Team Building and Motivational” Workshops	Students were trained for public speaking, group activity and SWOT Analysis
TE	Structured Training Programs (60 to 70 Hours) and TPO Connect	Training the students for Aptitude Test, MOCK Tests and Soft Skills
	HR Connect	Making the students aware about industry expectations
BE	TPO Connect, Company Specific Training	Preparing the Students for Placements / Mock Aptitude Tests/Mock Interview
	Programming skills, Post selection training	Making the students industry ready

763

The Engineering Workshop is established with institute in 1984. The total area of workshop is 943.5 square meter with capital investment of worth Rupees 1.6 cores having various shops namely turning shop, machine shop, tin smithy shop, welding and press shop, carpentry and pattern making shop and fitting shop . Also, it has standard room and innovation centre/ Project laboratory to maintain the quality and improve utilization of Engineering Workshop. It is upgraded from time to time to keep the space with modern technological developments.

We have all standard machines like lathe, milling, grinding, drilling, slotting machines, electric arc welding, gas welding, spot welding machines, wooden saw cutter, and wooden planner machine, wood turning lathe, and jig saw machine along with **modern machine tools like 3D Printer, Laser Cutting Machine band saw cutter, CNC turning machine, VMC milling machine, Plasma Cutter, Micro MIG, Micro TIG, and various wood working machines like CNC Wood router , Wood Turning, Mortised Drilling, Tilting Saw Cutter and Router table** in our **Engineering Workshop**.

The Engineering Workshop have experienced, trained and committed staff on our roll **to support and meet the needs of academic and institute**. Most of repair and maintenance work, new fabricated structures, various test pieces required for mechanical, production and civil engineering departments laboratories and experiments **are manufactured by our staff**. Final year projects, Mini Project and working models required to participating in National and International design, analysis, manufacturing and testing competitions **are designed, analysed, manufactured and tested by our students by using workshop facilities**.

We are succeeded in manufacturing various test rigs, structures and laboratory equipments in house through our final year projects. Our students are succeeded in **winning various prizes in National competitions** conducted by professional bodies like **SAE BAJA, BAJA STUDENT INDIA, ISNEE QUAD TORC, QBDC QUAD TORC, NKRC GO-KART, ABU ROBOCON, E-SUPRA, BAJA EPI-CYCLE, PROTOTYPE FOR BUSSINESS STARTUP AND KARMAVEER EXPO**. Engineering Workshop with the help of various Engineering Departments has taken initiative to design and manufacture various multi disciplinary products and electrical vehicles successfully.

Extra Curricular Activities

National Service Scheme (NSS) : There is an active NSS unit with an enrollment of 250 students. The unit is coordinated by Prof. S. S. Dongare. Every year annual camp and various activities like blood donation camps, AIDS awareness program, eye checking camp, expert lectures, help for blind, flood affected people and various competitions are organized by this unit. This unit has received the best NSS unit award from SPPU.

Technical Symposium : Competitions like Karmaveer Expo (Working model contest at National Level), MECHEAVEN (working model contest at state level), EQUINOX, ITAZZA and CHEMFEST (National Level Technical Symposia), FORCE (working model contest and Technical Competition), ECLAT INVASION, and Robotic Workshop are held to explore the engineering skills, creativity and talent of the students.

Students Association : Various students association like CESA (Civil Engineering Students Association), MESA (Mechanical Engineering Students Association) PESA (Production Engineering Students Association), SAEE (Students Association of Electronics Engineering) , Debugger's Club, Abacus Club, EFFECT, IE(I), CSI, ISF, IEEE, ISTE students chapter etc. are active and conduct different co curricular and extracurricular activities.

Nature and Environment Club : This club arranges the activities like Tracking, Essay, Drawing and Poster Competitions for the students on nature and environments themes. It also works for creating awareness on nature and environment protection under the guidance of Prof. Dr. A. L. Varne.

Indian Society for Technical Education (ISTE) : The institute established ISTE Nashik Chapter in the year 1992. Since then various short-term courses, development programs, State level conventions, Expert lectures have been successfully organized by this chapter. Teacher's day and Engineers day are also celebrated every year on behalf of ISTE. The chapter is working under the chairmanship of Prof. Dr. K. N. Nandurkar. The student chapter conducts various programs like "Master Student programme" and "Vijigisha Competition" to explore the talent and promote literary skills amongst the students. The student chapter has been recognized as "Best Chapter" for five times by Maharashtra-Goa section of ISTE.

Student Branch of Computer Society of India (CSI) : The students branch of CSI was established in the year 1995-96 and is one of the most vibrant student branches in Maharashtra and Goa. The branch has secured "Best Student Branch" award seven times. The student branch conducts various activities such as Quiz, Essay Competitions, Seminars and workshops. More than 500 students are members of the society along with faculty and get online access to CSI communications and CSI journal. Students and faculty members are provided with financial assistance for research work. Prof. Dr. Y. D. Bhise is a staff coordinator for this club.

The Institution of Engineering and Technology (IET) : An institution with over 167,000 members in 150 countries, reflects the increasingly diverse nature of engineering in the 21st century. It is one of the world's largest multi disciplinary

professional bodies of engineers with the stated mission of working to engineer a better world. The Institute is an Academic Affiliate to IET since 2014. Institute gets benefit from a rich portfolio of offerings from the IET, and also gets 12 months of complimentary access to technical journals in the IET Digital Library.

The Institution of Electronics and Telecommunication Engineers (IETE) : India's leading recognised professional society devoted to the advancement of Science and Technology of Electronics, Telecommunication & IT. Founded in 1953, IETE is the National Apex Professional body of Electronics and Telecommunication, Computer Science and IT Professionals. It serves more than 1,25,000 members (including Corporate, Student and ISF members) through various 63 Centres, spread all over India and abroad. Government of India has recognised IETE as a Scientific and Industrial Research Organization (SIRO) and has notified it as an educational Institution of national eminence.

IETE students' Forum : The Head of E & TC department Prof. Dr. D. M. Chandwadkar is the Chairman of IETE Nashik sub centre, which has received best sub-centre award. The teachers as well as students of E & TC department are members of IETE. Various activities including the annual symposium TELEKINESIS, e-Ganesha competition, various expert talks as well as workshops are conducted in collaboration with IETE Nashik sub centre. These activities are based on advancement of the Science, Technology, Electronics and Telecommunication. The activities promote industry institute interaction and make students aware about the opportunities in the practical world.

Career Katta : Career Katta an initiative formed under the Maharashtra State Department of Higher and Technical Education and Maharashtra Information Technology Support Centre. The college conduct various activities to guide students about career, Competitive Examination (UPSC, MPSC, Banking, SSB, SSC, Police, LIC, etc.), Entrepreneurship, skill development, credit earning under new CBCS and NEP Curriculum Framework, Internship and Placement Opportunities under the guidance of Prod. C. D. Kadbhane.

Registration Fees : One Time Rs. 365 for Three-year degree period (Rs. 0.36 per day), which will be reimbursed in the form of subsidy on examination charges of CBCS. It includes free access to all the activities, courses, State Level Competitive Exams, etc.

How to register: Download MITSC app from Google Play Store and pay fees using any online payment mode

For more details Career Katta Helpline : 7507652555

Recruiters Speak

KPIT Technologies : Sincere and very good behavior of students in the Drive. Overall good support and arrangements.

Amazon : Good Infrastructure and great coordination

Siemens : Good Coordination and Support from Staff

Wipro Technologies : Campus interview was very well organized by the college.

L&T Infotech

L&T InfoTech : Found students Confident and good communication skill

Metamorphosis : Students seem to be aware of outside industry matters and holds good academics.

Thank you very much for all the supporting staff, overall good arrangement and proper planning

Emerson : Students are good, technical sound and good communication skills.

Mahindra and Mahindra : Students are having good technical skills, very good communication skills and leadership qualities. Appreciate support extended by K K Wagh. Proud to associated with K K Wagh

Indian Navy : Student are having good communication skills, sincere and good participation in GD

Torrent Power : Batch Student done well in both Written Test as well as interview, keep it up, groom them for effective communication. Overall- It was a good experience

JFE Engineering India Pvt. Ltd. : Glad to see that college have built a dedicated Full time TPO, T&P cell & the facilities are also excellent keep it up!

The annual social gathering “Maffick 2024” for A.Y.2023-24 of the institute was organized from 27th Jan. to 31st January 2024. Principal Dr. K. N. Nandurkar along with all Deans and HODs inaugurated “Maffick 2024” on 27th January 2024. The theme of Maffick for this year was “Youthotsav”. Various cultural events and activities were conducted during Maffick 2024. Different competitions like Rangoli, Poster and Sketching were organized on 27th January. An Open Mic event (open stage activity) was organized in the Institute for all staff and students to showcase their various cultural talents like singing, poetry, mimicry, etc. On the second day, 29th January Group Day was celebrated by students and soft skill competitions like Elocution, Quiz and Debate were also organized. On the same day, lunch was organized for staff and students followed by a musical program of Marathi songs “Nakshatranche Dene” performed by a group of students. Traditional Day was celebrated on 29th January by students. A group of NSS volunteers presented a “Lezim” performance in the Institute campus before starting the culture programme. Cultural programs like Singing, Drama, Dance, Fashion Show and Personality Contest were organized in Pendol on 30th and 31st January. Through the Personality contests Miss. K K Wagh Shrawani Shelke from FY Electrical and Mr. K K Wagh Atharva Jadhav from FY AIDS has been selected.

Corporate Day / Saree Day were celebrated by the students on 31st January. The Prize Distribution ceremony of Maffick 2024 was held on 31st January. A student of Computer Engineering, Miss. Sakshi Suresh Pawar was awarded with the Best Outgoing Student for A.Y. 2023-24 of the Institute. For gracing this ceremony, Mr. Prashant Khanolkar, General Manager (Pharmaceutical & Electronics), Ion Exchange India Ltd. alumnus of Electrical Engineering department - 2003 batch was invited as Chief Guest. The executives from Epiroc Company were also present for this prize distribution function. A third-year topper student of Mechanical Engineering department, Miss. Sanika Khanderao Patil was felicitated by Epiroc company and she was offered a job with this company.

Glimpes of Maffick 2024

Procedure For Institute Level Admission

First year

Candidate should be an Indian National and should have passed the HSC (Std.XII) examination of Maharashtra State Board of Secondary and Higher Secondary Education or its equivalent examination with subjects English, Physics, Mathematics and Chemistry / Biotechnology / Biology / Technical Vocational subject

and

Secured minimum 45 % marks (minimum 40 % marks, in case of Backward class categories and Persons with Disability candidates belonging to Maharashtra State only) in the subjects Physics, Mathematics and Chemistry/Biotechnology/Biology/ Technical Vocational subject added together.

and

Must have positive score in MHT-CET-2024 / JEE Main 2024.

Direct Second year

All those who hold the diploma from MSBTE (Maharashtra State Board of Technical Education) or equivalent with minimum 45% marks are eligible for Direct Second year admission. The rules declared /changed /modified by the Competent Authority for Direct Second year Engineering Admissions shall be binding on all candidates.

Admission Procedure (Institute level)

Merit list will be prepared and displayed along with 'Counseling Schedule for the Institute level Admission' on the college Notice Board and the candidate will be called for counseling as per the Schedule.

Fees

Fees is charged as fixed by FRA (Fee Regulatory Authority) (The committee established by the State Government for this purpose).

Hostel Facility

The institute has separate hostels for Girls and Boys with boarding facilities and internet connectivity. These hostels can accommodate 227 girls and 366 boys. The accommodation is 1, 2, 3 seated rooms with facilities like hot water, dining, recreation etc.

Contact No.: (0253) 2514478 / 2221317

Insurance / Medclaim

As per the directions given by the state government students can avail the facility of Personal Accident and medical insurance named as "Swami Vivekananda Yuva Suraksha Yojana".

Insurance charges are to be paid at the time of admission.

Refund of Fees After Cancellation of Admission

The candidate who have been admitted after payment of full fees, may cancel admission by submitting an application and may request for refund of fees. The refund of fees will be as per the rules of Directorate of Technical Education (DTE), Mumbai.

Information for the admission at Institute level will be notified in daily local News Paper.

Gymkhana Activity :

Sports has been an integral part of this institution. Students are encouraged to participate in intercollegiate, inter zonal, inter university, open tournaments, state level T-20 tournaments along with annual intra mural sports representing their respective department. Evry year teams participate in Chess, Table Tennis, Badminton, Swimming and Diving, Water Polo, Cross-Country, Baseball, Basketball, Volleyball, Foot ball, Body building, Power Lifting, Pistol Shooting, Boxing, Lawn Tennis, Cricket and Athletics.

Sports facility

The sports facilities are excellent and top ranked. The gymnasium (567.00 sq.m) is equipped with all modern equipments including steam and Sauna bath facilities. The playground is 20000 sq.m. inclusive of 2400 sq.m of 6 lane athletic track, 7850.00 sq.m of cricket field, 7850.00 sq.m of football ground and 2632.00 sq. m of Hockey ground.

Besides these following independents courts with day/ night playing facilities are available

- ◆ Two volley ball courts with total area 1200 sq.m
- ◆ One basket ball court having area 576 sq.m
- ◆ One Badminton court spread over an area of 200 sq.m
- ◆ Two Lawn Tennis Court covering an area of 2400 sq.m

Alumni association of K K Wagh College of Engineering, Nashik is registered under the Societies registration act 1860 (29) with effect from 17/1/2003 having registration number Maharashtra/7828/2003/Nashik. The main objectives of alumni association includes promoting and fostering mutually beneficial interaction between the alumni and the present students of Institute and also between the alumni themselves, encouraging them to take an active part in the work and progress of the Institute and also to generate funds for students and alumni welfare. The alumni association of K K Wagh College of Engineering, Nashik is actively engaged in organizing annual alumni meet, special focus alumni meets, opening new chapters and promoting alumni-faculty interaction through enhancing alumni participation in various events organized by institute/departments, seminars, expert talks etc. Online registration facility is made available on the Institute website. The institute effectively networks and collaborates with alumni which have seen a progressive increase in the number of alumni interacting with the students every year.

Role of Alumni in Development of Institute

1. Providing placement assistance to students by conducting campus interviews.
2. Helping students to get projects and in plant training.
3. Providing expert talk/conducting seminars.
4. Providing career guidance to the students.
5. Contribution in syllabus preparation.
6. Examiners for various university exams
7. Sponsorship for various events organized by the Institute.

Some distinguished alumni members

Mr. Ajay Bhatiya
(1992, Production Engineering)
Location : Mangalore
Position : General Manager
Company : ONGC MRPL

Mr. Ganesh Narayanan
(1996, Computer Engineering)
Location : Mumbai
Position : CIO
Company : Bureau Veritas Marine & Offshore

Narayan S. Banate
(1993, Electronics Engineering)
Location : Nashik
Position : Head, Factory
Digitalization
Company : Siemens Ltd.

Rajni Sachin Deshmukh
(Civil Engineering)
Position : Executive Engineer
Company : Water Resources Dept.,
Govt. of Maharashtra

Mrs. Prajakta Somani
(2009, Information Technology Engg.)
Location : Nashik
Position : Head of Application
Development
Company : ESDS Software Solution Ltd

Mr. Sudhendra Rao
(2003, Mechanical Engineering)
Location : Nashik
Position : Senior Manager R&D,
Company : CG Power and Industrial
Solutions Limited

Dr. Nilesh Atmaram Mali
(2004, Chemical Engineering)
Location : Pune
Position : Principal Scientist
Company : Chemical Engineering &
Process Development Division
CSIR National Chemical
Laboratory

Mr. Sharad K. Jha
(2002, Electrical Engineering)
Location : Pune
Position : Segment Head, Metals
and Industrial Services
Company : SKF India Ltd.

Institutes run by K K Wagh Education Society, Nashik

Engineering College

1. K K Wagh Institute of Engineering Education & Research, Nashik

Polytechnic

2. K K Wagh Polytechnic, Nashik

Pharmacy

3. K K Wagh College of Pharmacy (B. Pharmacy & D. Pharmacy), Nashik.
4. K K Wagh Institute of Pharmacy (D. Pharmacy), Pimplas, Tal. Niphad, Dist. Nashik

Agriculture & Agricultural Allied Colleges

5. K K Wagh College of Agricultural Engineering and Technology, Nashik
6. K K Wagh College of Agriculture, Nashik
7. K K Wagh College of Agricultural Bio-technology, Nashik
8. K K Wagh College of Food Technology, Nashik
9. K K Wagh College of Agriculture Business Management, Nashik
