

CURRICULUM VITAE

NIKHIL M BHUJBAL

Email: nmb.eltx@gmail.com

Phone: 09970750684

CAREER OBJECTIVE

To secure challenging position where I can effectively contribute my skill as Electronics Professional, possessing competent technical skills.

QUALIFICATION

Qualification	Name of the Institute/University	Passing Year	Percentage
M-Tech (Electronics Design and Technology)	NIELIT (formerly DOEACC) Center Aurangabad	2012	CGPA 6.04 out of 8.0 (75.50%)
B.E. (E & TC)	D.N.Patel COE Shahada, NMU Jalgaon, Maharashtra	2007	62.92
HSC	NASIK BOARD	2002.	67.83
SSC	NASIK BOARD	2000	64.80

PROFESSIONAL EXPERIENCE

- Working as a Assistant Professor in Electronics department of K K Wagh Institute of Engineering education & research center, Nashik since 2012 to till date as a permanent employee
 - Subjects taught : Automotive electronics, Instrumentation system, PLC & Applications, Industrial Management, Process automation, Artificial intelligence, Data Mining, Industrial Management

- A professional experience of 18 months in production, quality, calibration. NETEL is ISO 9001:2000 Company and Manufacturer of process instruments like Gas chromatographs and PUC machinery like multi gas analyzers, diesel smoke meter, Respirable dust sampler, stack monitoring kit etc.

- Worked as a Lecturer in E & TC Department, S.S.Patil Institute of Technology & Polytechnique, Chopda (Jalgaon) (July 2009 – July 2010).
- **QC Engineer, NETEL INDIA LTD, Daman (Jan - May 2008):**
 - Follow up of material requirements for production process.
 - Testing of raw material required for production.
 - Responsible for final inspection of products.
 - Maintaining record of in process, out process and final inspection report of products. Responsible for making quality inspection plan for materials.
- **Production Engineer, NETEL INDIA LTD, Daman (June 2008 - June 2009):**
 - Fault finding in different PCB's and instruments.
 - Testing and calibrate the circuits as per standards and specifications.

- Follow up to other department such as quality control, store, packing.
- Responsible for preparation and maintain ISO documents like PMR, MPP etc.
- Manpower planning according to requirement of work.

PROJECT WORK

- Working on “Automated Greenhouse Controller “in Mtech.
- Built a Microcontroller (89C51) Based Auto Petrol Filling system named as ‘**Petro Card**’ during final year.

COMPUTER SKILLS

- Completed **LABVIEW** certification course from **ATI-EPI** Hyderabad.
- Completed Hands-on training on **Automation studio** software in Indiasoft technologies, Pune
- “C “Language Programming.
- Proficient in Microsoft word, excel

ACHIVEMENTS

- Presented paper in International journal of creative research thoughts entitled “ Heat dissipation solution for electronics products”.
- Presented Paper entitled “Automated Greenhouse Controller” in International Conference of Electrical and Electronics Engineering conducted by Institute for Research and Development India (IRD India).
- Participated in National Level Paper presentation in Savitribai phule institute of technology, Aurangabad.
- Participated in State Level Paper presentation conducted by ISTE of MH and Goa section.

PERSONAL PROFILE

Date of Birth	29.06.1985
Marital Status	Married
Languages Known	English, Hindi and Marathi
Nationality	Indian
Permanent Address	Mr. Nikhil M. Bhujbal Fl.no.08, atharvnandanvan apartment, shriram nagar, Mumbai Agra highway, Nashik, Dist: Nashik Pin no.422003, Maharashtra (India).

AREA OF INTEREST

- Teaching, Embedded system, Automation projects. Project development, Telecom, Production, Quality, Maintenance, Service.

REFERENCES: Mr. Jitendra Parmar (Sr.Engineer), TCS, Pune
Mr. D. B. Ahire (Associate Professor), MET, Nashik

DECLARATION

I consider myself familiar with Electronics and telecommunication Engineering Aspects.
I hereby declare that the information furnished above is true to the best of my knowledge.

PLACE: Nashik
